Challenger Travel Trailers & Fifth Wheels • By Damon Corporation

Challenger. For Those Who Desire Spacious Living.

It's said value is where you look for it. And what better place to find it in, than the all new line of Challenger travel trailers and fifth wheels. It's a discovery of exceptional design and old world craftsmanship brought together in one valued classic by Damon Corporation.

Just one look and you'll understand exactly what we mean.

From your first glance you'll notice an impressive list of standard features that accompany the Challenger Travel Trailers and Fifth Wheels. Features that include more than most RV manufacturers choose to offer as options—if made available at all.

Uncover the exquisitely appointed contemporary and stylish designer fabrics that add a touch of distinct class throughout each Challenger model. Overhead, rich, soothing designer fabrics cover the ceiling adding aesthetic beauty to the unit as well as providing noise reduction and improved acoustics.

If you demand only the finest in recreational living, you'll be pleasantly pleased with what you'll find adorning the interior. Elegantly styled features that include charming upholstered chairs, restful reclining chairs, headboard, bedspread, sham and drapes each beautifully coordinated in the latest colors.

Also included are such intrinsic features as hardwood-framed cabinet doors, cedar-lined bed bases for ample storage and a high-efficiency, floor-ducted heat system.

A Taste For Style

Designed to offer the finest there is in comfort and convenience, the galley of the Challenger is arranged with the

most modern appliances available to complement every household chef. Like microwave oven and three-burner, high-output range with oven. Large double-door refrigerator. Large double-bowl porcelain sink. And so much more to experience.

And after preparing your special gourmet meals, you can enjoy and savor them in the midst of such fine dining atmosphere that the Challenger is more than capable of providing. The rich hardwood-framed and glass insert doors tastefully accent the soft-lit setting.

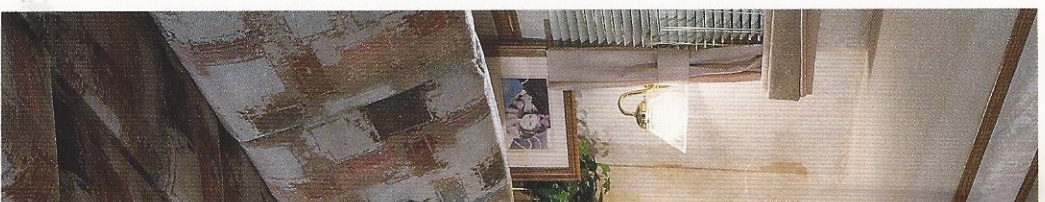

Innovatively designed for years of carefree fun.

When comparing the Challenger's sensational stylishness and handsome, good looks to other RV products in its class, there really is no comparison. Because Damon uses only the finest components on the market, then engineers its products for years of reliable, dependable performance and minimum maintenance. Each is built to last no matter where the adventure takes you.

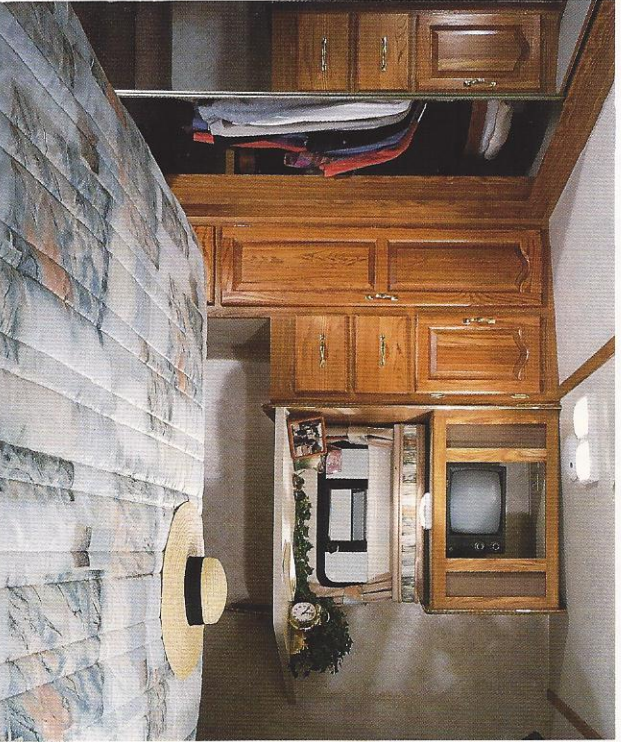

The sidewalls are constructed of aluminum-framed laminated fiberglass with an insulation value of R-7. This extra-durable material is lighter than wood and metal and easier to repair, clean and tow.

Think that's enough? Damon also incorporates radius skirting to help resist chipping and incidental damage. To top it all off, the Challenger has an exceptionally durable rubber roof system that ensures and protects against foul weather and leakage.

Discovering unprecedented value. That's exactly what you'll find when you explore the new Challenger Towables. The truly exceptional recreational vehicles built to last at an affordable price. Discover yours today and start experiencing life the way it was meant to be... free-spirited and carefree.
