GREAT FAMILY CAMPING FUN

Coachmen's complete line of Folding Camping Trailers provides a wide selection of floorplans for nearly any budget and camping need. Choose from the popular Clipper and Sport series, featuring wide-body design and a variety of versatile floorplans, or the Hunter model, which combines outstanding economy and value.

Take a close look at Coachmen Folding Camping Trailers and you'll see why they are favorite choices for both beginning and veteran campers alike. Here are just some of the great features:

- **Independent Rubberized Suspension.** This specially designed system helps prevent excessive swaying and bouncing when you're towing Clipper.

- **Wide Track Tires.** Coachmen uses larger tires than most manufacturers to assure better performance and safety. All eight and ten foot box campers feature 12" wheels while all 12 foot models are equipped with 13" wheels.

- **E-Z Lube Hub.** All Coachmen Camping Trailers feature the E-Z Lube axle which provides a grease zerk fitting right on the wheel hub for easy lubrication.

- **Sectionalized Vinyl Tent.** The five-piece sectionalized vinyl tent provides durable, practical and reliable alternative to other materials being used in many camping trailers today. It's much easier to maintain, water resistant and less likely to mold or mildew.

- **Crank Down Jacks.** Setting your leveling jacks is simple with Clipper's easy to use crank down jacks.

- **Structurwood Flooring.** The 5/8" Structurwood flooring provides a sturdy foundation. Structurwood is 10% stronger than plywood. It's also more resistant to water and has no seams that can buckle or bow.

Compare Coachmen's Camping Trailers with any other brand of camper on the market today. You'll see why Coachmen is "Leader To The Great Outdoors."

The Clipper (pictured on the cover) offers five wide-body floorplans with sleeping capacities of up to eight people in some models.

The popular Sport, shown with the optional awning, combines comfort with the value of Coachmen quality.

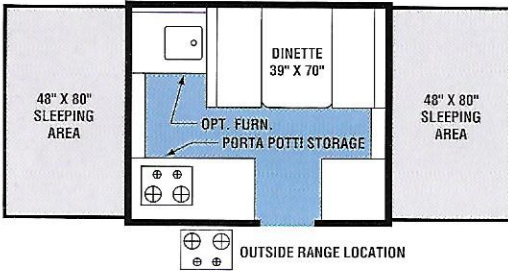

The economical Hunter still provides plenty of livability features for the budget minded camper.

FEATURES GALORE!

A complete photo album would be required to fully display the many features and innovations of Coachmen's affordable camping trailers. Here are just a few.

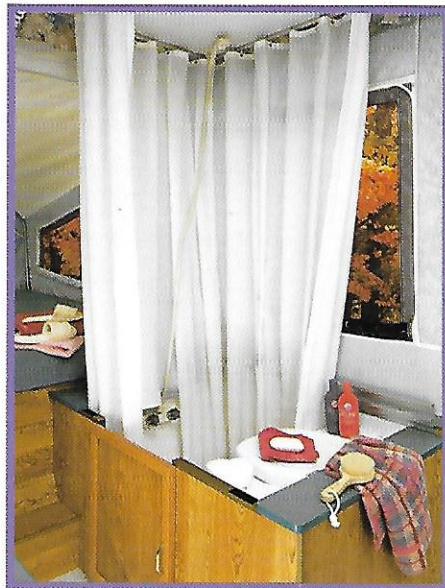

▲ Range tops are designed for use both inside and outside the camper. Dinette tables also are portable for dining under the sun or stars.

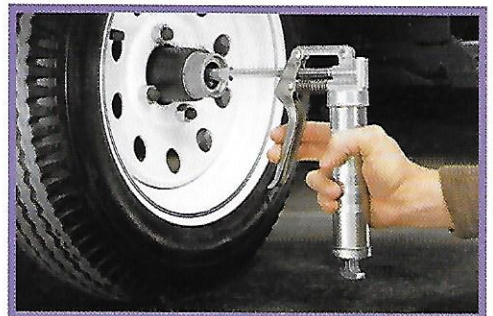

▲ The removable waste dump tank is both a handy and convenient feature. Available on Models 1260 and 1270.

▲ Bunk areas feature firm and comfortable 4" high density closed cell foam cushions for outstanding durability. Bunk lights are standard on Clipper Models to add even more convenience and livability.

▲ Showers and toilets are available in two Clipper floorplans.

▲ Keep your bearings lubricated with the easy access of the E-Z Lube hub.

▲ The Clipper 1060ST features 20.8 cubic feet of front trunk storage. This storage area is accessible from both inside and outside the camper. The outside doors are lockable.

▲ Lowering your leveling jacks is easy with Clipper's standard crank down jacks.
