Benefits!***

## New Floorplans, New Look.

If you want the best combination of quality, beauty, innovation and value—go with the original—Santara! As the original wide-body mini ever introduced, Santara models have continued to lead the way with practical, innovative floorplans and features.

From the versatile 292 SO slide out design to the innovative 302 SA with its unique and convenient bedroom/bathroom combination, you'll see floorplans that provide residential atmosphere and maximum comfort. Santara is known for great livability.

When it comes to wide body Mini Motorhomes Santara is the clear leader. Anything else is just imitation.

## Look Alike? Look Again!

Our designers work diligently to insure lasting appeal, because at Coachmen we believe that beauty should be "more than skin-deep."

As you enter a new Santara, you'll instantly be impressed with its luxurious beauty. But, there is a lot more to our beauty than meets the eye.

◆ Coachmen selects only upholstery fabrics that are wear-rated as "Heavy Duty." This means that Coachmen fabrics have been tested for durability beyond 15,000 double rubs (in and out action) to simulate heavy usage. A chair in the average American home is typically subjected to only 3,000 double rubs per year....

◆ Beneath its heavy-duty fabrics, Coachmen uses high-density foam in its furniture and cushions to protect against premature compression and breakdown.

◆ Coachmen uses only man-made, continuous nylon filament, semi-trackless carpeting that is Teflon treated for stain resistance.

For long term wear, the carpet padding is equally important. Coachmen uses a 3/8" pad that is 70% denser than the industry norm, with an 80 lb. ILD (Indentation Load Deflection) versus the 33 lb. ILD most commonly used.

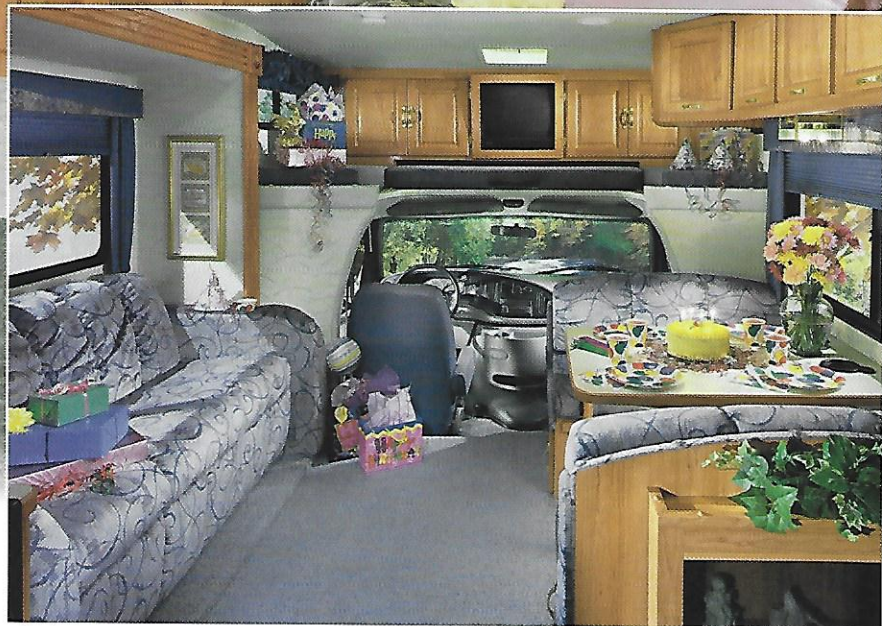

**ABOVE:** The 292 SO has impressive living space and elegant interior appointments. Shown in Meadow Brook decor.

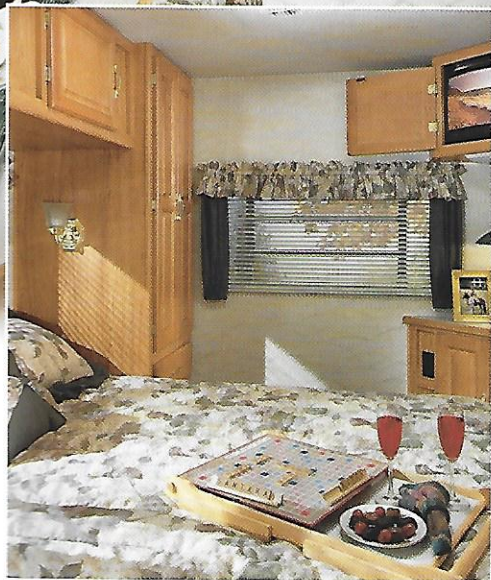

◆ All interior soft goods are treated for fire retardancy.

◆ Cabinet doors feature Golden Cherry raised panel hardwood doors and drawer fronts. Unlike other brands that use a glued construction, Coachmen's cabinet fronts are, solidly screwed and secured to reinforced sidewalls.

◆ Window sizes and configurations are chosen with care, to give you enormous panoramic views in the living areas and important ventilation in the sleeping areas with multi-pane jalousie windows.

**ABOVE:** The 292 SO features an optional entertainment center and a slideout lounge. Shown in Misty Blue decor.

**ABOVE:** Beautifully coordinated bedroom decor adds to Santara's residential feel. Shown in Meadow Brook decor.

◆ Window treatments are designed for beauty, flexibility of lighting and ventilation and, most of all, privacy. Santara features pleated shades in the coach and mini blinds in the bedroom.

SANTARA

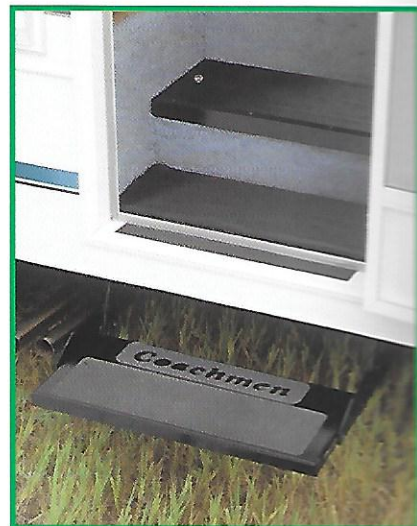

## Features Galore!

A complete photo album would be required to fully display the many features and innovations of Coachmen's affordable mini-homes. Here are just a few.

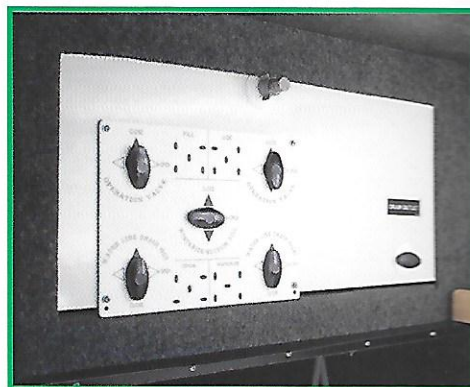

◀ This handy magazine rack located above the entry door allows you to keep reading material up and out of the way.

Step wells feature ▶ rubber step treads. Santara also offers a rare Class C option: An electric entrance step with a dash warning light.

The optional ▶ microwave oven boasts a huge 1.3 cu.ft. interior space, making preparation of large dishes a breeze.

▲ Water system operation and winterizing is quick and easy with Coachmen's innovative power fill system panel.

▲ Our spacious refrigerators feature a convenient interior light, and a handy freezer shelf.

▲ For your driving convenience and security, Coachmen provides power windows and locks — standard.

\* Add 13-1/2" for Roof Air Conditioner \*\* One sleeping position is eliminated with optional front entertainment center † = Estimated at time of printing

**GVWR (Gross Vehicle Weight Rating):** The Maximum permissible weight of the unit, including the UVW plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

**CW (Curb Weight):** The weight of the unit without factory or dealer installed options, plus allowance for the weight of full fuel capacity. The "payload capacity" for all other fluids, cargo, occupants, optional equipment and accessories can be determined by subtracting the CW from the GVWR.

**GAWR (Gross Axle Weight Rating):** The total weight each front/rear axle, suspension and tire system is designed to carry. When loading the unit, care should be taken to balance cargo weight in consideration of the GAWRs.

**GCWR (Gross Combined Weight Rating):** The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

**Wider Widths:** Numerous Coachmen floorplans feature the "wide body" design concept, which gives you significantly enhanced interior living space and innovative floorplans.

In making your purchase decision, you should be aware that a few states restrict access on some or all state roads to 96" in width, though special road usage permits are generally available. Vehicles up to 102" in width are permitted on all federal highways, and in the vast majority of states. You may wish to confirm the road usage laws in the states of interest to you before making your purchase decision. If width is of concern to you, we invite you to consider the broad array of other Coachmen models offered in the standard 96" width.

**IMPORTANT NOTE:** All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including changes in prices, colors, materials, equipment and specifications, as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.

# Santara Class C Standards & Options

## Standard Features

### INTERIOR APPOINTMENTS

- ◆ Golden Cherry Cabinets
- ◆ Residential Metal Drawer Glides
- ◆ Partial Carpet With Pad
- ◆ Linoleum Flooring - Kitchen & Bath
- ◆ Soft Touch Ceiling
- ◆ Night Shades - Coach
- ◆ Mini Blinds - Bedroom
- ◆ Radius Slider Windows
- ◆ Radius Jalousie Windows - Bedroom
- ◆ Side Dinette (Except 304FL)
- ◆ Jack Knife Sofa (Except 304FL)
- ◆ Pit Group Sofa (304FL)
- ◆ Reclining Pilot and Passenger Seats
- ◆ Hardwood Cabinet Doors

### INTERIOR EQUIPMENT

- ◆ TV Antenna and Rotor Package
- ◆ Cable TV
- ◆ TV Cabinet - Bedroom
- ◆ Second TV Jack
- ◆ LP Leak Alarm
- ◆ Smoke Alarm
- ◆ Carbon Monoxide Detector
- ◆ Fire Extinguisher
- ◆ Deluxe AM/FM Cassette Stereo
- ◆ Deluxe Interior Light Package

### GALLEY

- ◆ Microwave Ready
- ◆ 3-Burner (High Output) Range w/Oven
- ◆ Power/Lighted Range Hood
- ◆ Flush Mount, Double Door Refrigerator
- ◆ Monitor Panel
- ◆ Stainless Steel Kitchen Sink
- ◆ Cutting Board Sink Cover
- ◆ Silverware Tray
- ◆ Trash Can

### SLEEPING

- ◆ Queen Bed
- ◆ Cabover Bunk
- ◆ Deluxe Innerspring Mattress - 312 Coil
- ◆ Bedspread & Pillow Shams
- ◆ Privacy Drape - Bedroom
- ◆ Privacy Drape Lower Cab
- ◆ Cabover Privacy Drape

### ELECTRICAL/HEATING/AC

- ◆ 30 Amp. Power Cord
- ◆ 40 Amp. 110/12V Power Converter
- ◆ GFI Circuit
- ◆ Outside Receptacle
- ◆ Battery Disconnect
- ◆ Generator Ready
- ◆ Patio Light
- ◆ Exterior Compartment Lights
- ◆ 31,000 BTU E.I. Furnace
- ◆ Wall Mounted Thermostat
- ◆ Prewired for Roof AC
- ◆ Ducting for Air Conditioner

### BATH AND WATER

- ◆ Power Bath Vent
- ◆ Pump Switch at Termination
- ◆ 6-Gallon EI Water Heater
- ◆ One-Piece ABS Tub Surround
- ◆ Demand Water Pump

### AUTOMOTIVE/EXTERIOR

- ◆ 55-Gallon Fuel Tank
- ◆ Deluxe Chassis Package
- ◆ Tilt Wheel
- ◆ Cruise Control
- ◆ Dash Air Conditioning
- ◆ Power Windows and Locks
- ◆ Chrome Front Bumper
- ◆ Retractable Exterior Mirrors with Convex
- ◆ Automotive Undercoating
- ◆ Radial Tires
- ◆ Basement Floor Design
- ◆ Laminated 2" Sidewalls
- ◆ Laminated Floor
- ◆ Crowned, Laminated Rubber Roof
- ◆ Spare Tire Kit
- ◆ Full Metal Wheel Covers
- ◆ Aluminum Running Boards
- ◆ Luggage Rack and Ladder
- ◆ Rubber Entry Step Tread
- ◆ Dead Bolt Door Lock
- ◆ Radius Entry Door
- ◆ Radius Compartment Doors
- ◆ Slide Room (292SO)
- ◆ Automotive Rear Bumper

## Optional Features

- ✦ Residential Dinette w/2 Chairs (292SO, 302SA, 315QB)
- ✦ Twin Beds w/Full Wardrobe (Except 302)
- ✦ Deluxe AM/FM CD Player Stereo
- ✦ Outside Entertainment Center
- ✦ Front Cabover Entertainment Center (Includes 19" TV and VCR)
- ✦ 14" Color Television
- ✦ Residential Size Microwave Oven - 1.3 Cu.Ft.
- ✦ Fantastic Three-Speed Roof Vent
- ✦ Front Cab Over Window Delete
- ✦ High Profile 13,500 BTU Ducted Roof Air Conditioning
- ✦ 4.0 KW Generator - Gas
- ✦ Emergency Start Switch
- ✦ Power Entrance Step - Single
- ✦ Stainless Steel Wheel Inserts
- ✦ Air Assisted Suspension
- ✦ Semi-Automatic Hydraulic Leveling
- ✦ Fiberglass Running Boards
- ✦ Exterior Slide-Drawer Storage - (Except 292SO, 304FL)
- ✦ Towing Hitch
- ✦ Awning (Not Available on Units Shipped to Canada)
- ✦ California Emission
- ✦ CSA Upfit (Except 304FL)
- ✦ Canadian Motorized Compliance (Mandatory in Canadian Provinces Not Requiring CSA Upfit)

## And More Features!

▲ The 302 SA bath features a roomy tub and residential style design.

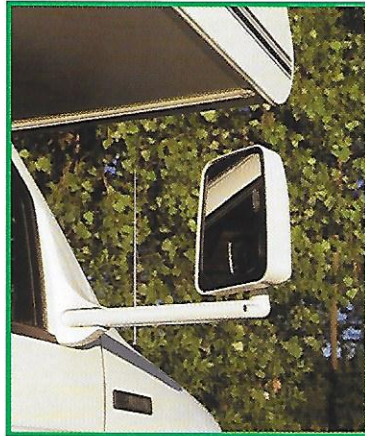

▲ Santara's optional ducted roof air flows efficiently through adjustable vents. Also notice the soft touch ceiling.

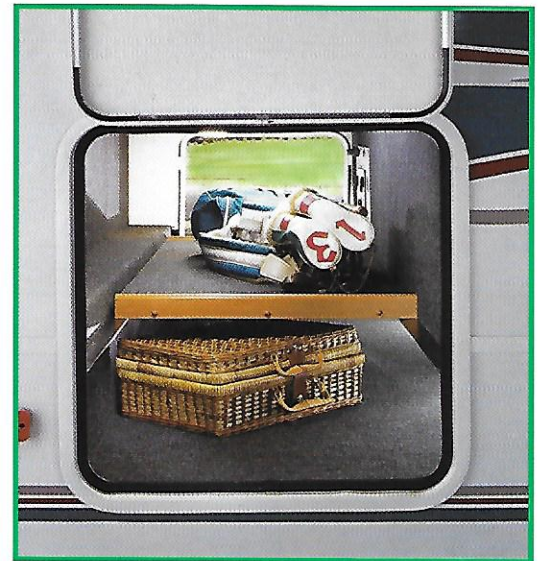

▲ Another Coachmen innovation is the fantastic under-sink silverware and utensil drawer.

▲ New "pancake" lights are attractive and provide a softer light.

▲ Sleek and integrated side view mirrors are standard.

▲ Santara's huge "warehouse" rear storage compartment has pass through access and a convenient upper shelf that slides from one side to the other. Entrance and baggage doors feature radius design.

▲ Leprechaun's "no mess" termination is convenient and easy to use.

▲ Your hose stores in the convenient swiveling boom, allowing you to leave the hose connected to your system. With the boom you can easily position the hose with a minimum of handling.

▲ The handy shower fixture allows for easy cleanup.

# QUALITY COUNTS THE MOST.

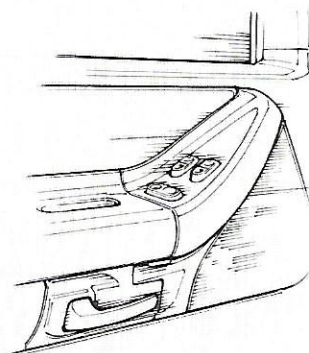

We will not build a motorhome with a flat roof! All roofs are vacubond laminated with a crown for controlled water run-off and additional strength. The roofs are covered with seamless, industrial grade rubber. All roof seams are sealed with butyl rubber based sealants that expand and contract with the climate to help prevent leaks.

Every motorhome is tested for leaks in a simulated rain storm created by a rain test lab within the manufacturing plant.

Wood framing around windows assures a tight, non-flexing attachment for all windows.

Two year structural warranty, along with the industry's leading full one-year Coachmen Buckstopper Warranty assures peace of mind.

We replaced all the trim parts with internal sealants to create a clean, easy to maintain chassis to upfit attachment.

Power windows and door locks are standard features on Coachmen Class C's.

Aerodynamic mirrors adjust easily and match the up to date look of our motorhome.

## The Santana C Motorhome

# WHAT YOU CAN'T SEE US

Coachmen "Even Cool" ducted roof air conditioning provides quiet, cool air that easily distributes through the entire motorhome through baffled ducting.

Tubular aluminum cage construction of our roof and sidewalls provide great strength without adding unnecessary top-heavy weight - this improves handling and fuel efficiency.

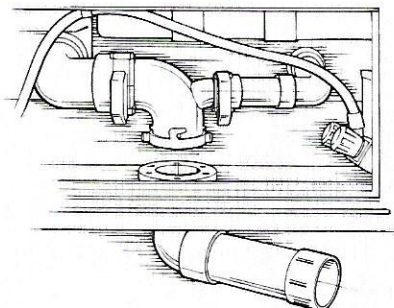

All cabinets and tables are mounted to electro galvanized steel backers in the sidewalls to stay securely in place.

Our 2" sidewalls are the thickest in the industry. We bond the wall using reactive hot melt urethane lamination with one piece fiberglass, high-grade Luan backer, block foam insulation, tubular aluminum framing and an interior panel. This provides superior strength and durability.

Jalousie and slider windows are combined to offer optimal viewing and ventilation in all weather conditions.

We insulate around every refrigerator to improve operating efficiency and prolong the trouble-free life of the refrigerator.

"Warehouse" Storage space has been added wherever possible.

Coachmen innovated the "No-Mess" termination system that allows clean dumping of your holding tanks.

All basement models have heated holding tanks, valves and controls.

Kendall Sound & Seal automotive undercoating is applied to the appropriate surfaces of the coach.

Heat reflectors are installed over the exhaust system to reduce road heat inside the coach.

All storage areas are water tight sealed and fabric lined.

# Up-Front Design For Long Term Comfort.

Founded in 1964, Coachmen is one of the oldest, continuous producing manufacturers of recreational vehicles. A secret of our success is our commitment to the continuous improvement of our products.

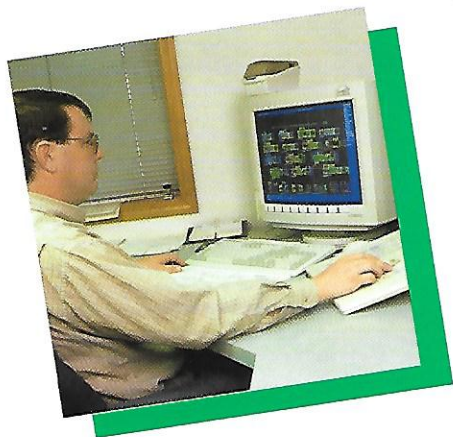

We have learned that quality must be designed and built in to the products, up front. Combining experience and technology, we are able to prevent many problems before they arise, through proper analysis and testing.

## Design & Analysis

Unlike most companies, Coachmen uses computerized technology for much more than simple drafting applications.

Coachmen uses computers to see that everything fits-up front-so we can minimize gimp, trims and other "cover-up" techniques seen so often in other brands.

Computer weight testing is performed on every new model. Before a floorplan is approved, we know the approximate weights, including dry and loaded, front and rear axle weights and even side-to-side weights which affect drivability. After a model is built, the computer analysis is manually verified.

## Leak Prevention

Due to the complexity of the product, compounded by road vibration, water leaks can be a problem. Coachmen's quest is to eliminate this frustrating and potentially damaging problem.

Extra care is taken to prevent exterior leaks. Every outside seam at the roof, floor and sidewalls-is wrapped, sealed and secured. All roof and sidewall

openings receive framing reinforcement, and are sealed.

Finally, every unit is tested for leaks in a high-pressure rain chamber, designed to simulate a driving rain, not just a spring shower.

## Performance Testing

Coachmen subjects its new models to a myriad of tests, before introduction to the customer. Rigorous road tests, sometimes up to 15,000 simulated miles, are performed on actual production units, to verify computer modeling. Studies are made of structural integrity, stress analysis, cabinetry durability, weight loading, vibration analysis and handling.

There can be little doubt that Coachmen has superior quality-by design.

## Coachmen Earns Ford's QVM Designation

In 1992, Coachmen was honored as the first recreational vehicle manufacturer to earn Ford Motor Company's Motor Home Quality Program Award. That distinction was based on Ford's thorough inspection of Coachmen's

management and manufacturing processes.

Coachmen RV Company is now designated as a Ford Qualified Vehicle Modifier (QVM). The QVM designation is only given to companies that meet the demanding requirements of Ford's Qualified Vehicle Modifier Program.

## Buyer's Checklist

*To help you make an informed purchase decision you'll enjoy for many years to come, refer to this list of Coachmen features. Please compare us to the competition!*

- ✓ Steel-framed floor
- ✓ Full-dimension frame extensions
- ✓ Automotive undercoating
- ✓ 2" Vacuum-Bonded floor
- ✓ R-8 insulation factor
- ✓ 2" Vacuum-Bonded walls
- ✓ Welded aluminum "Cage"
- ✓ 2-1/2" crowned, laminated rubber roof
- ✓ Linoleum in kitchen and bath
- ✓ Reliable weight balance for superior handling
- ✓ Slider and jalousie windows
- ✓ Sealed and lighted exterior storage compartments
- ✓ 6-gallon electronic ignition water heater
- ✓ 55-gallon fuel tank (Ford's)
- ✓ Clamp ring windows in framed openings
- ✓ Heavy-duty upholstery
- ✓ Luxury padded cab door panels
- ✓ Furniture with steel frames
- ✓ Semi-trackless carpet
- ✓ 312-Coil Innerspring Mattress
- ✓ All interior soft goods treated for fire retardancy
- ✓ Bed-Lift Storage system
- ✓ "Even Cool" ducted air conditioning option
- ✓ Sturdy screwed & glued cabinet construction
- ✓ Residential drawer glides
- ✓ Power windows & door locks
- ✓ One-piece tub/shower liner
- ✓ Large refrigerator with light & freezer shelf
- ✓ Water-heater by-pass system
- ✓ Extensive safety equipment
- ✓ Two-Year Structural Warranty

# A Warranty To Count On.

## Buckstopper Warranty

We work very hard to see that our products out-perform your expectations. But, should something go wrong with the workmanship or materials during the warranty period, we will fix it. As the saying goes, the buck stops here.

Your Owner's Registration Card and our famous Buckstopper Warranty are your passport to worry-free travel. Throughout the United States and Canada, our network of over 300 independent dealers stands ready to provide you with courteous, dependable service.

## Two-Year Structural Warranty

We are very confident about our products, for reasons explained in this brochure. Our owners share in our confidence, with Coachmen's exclusive TWO-YEAR LIMITED STRUCTURAL WARRANTY. Only with Coachmen do you receive extended peace of mind and warranty coverage for your floor, ceiling assembly and any laminated structural components.

## Transferable Warranty

Your Buckstopper Warranty may be transferred to a subsequent owner for a small registration fee, if you sell your coach during the term of your one-year Buckstopper Warranty. This feature greatly enhances the resale value of your Coachmen product. (Sorry, the Extended Limited Structural Warranty may not be transferred.)

When making your purchase decision, you should select a company you can count on, with a warranty you can depend on. **Nobody protects you better than Coachmen...for the long haul!**

See your Coachmen dealer for complete details on our generous warranty program.

# Friends & Fun For Life.

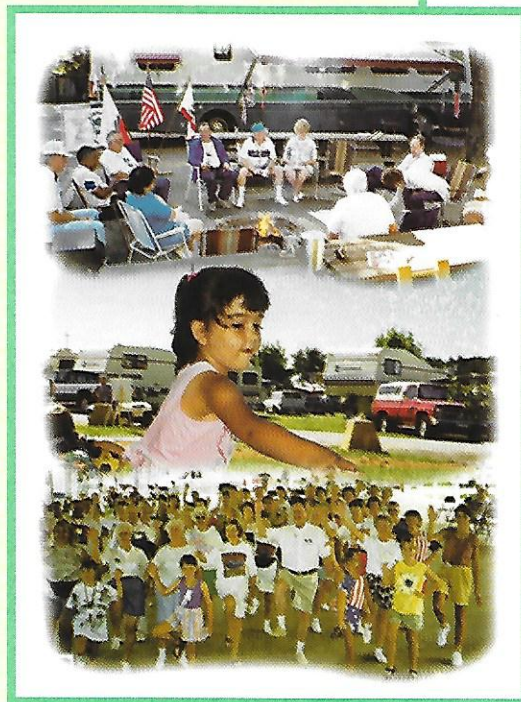

Your purchase of a Coachmen recreational vehicle qualifies you for a **free, one-year membership** in the International Coachmen Caravan, the nation's largest manufacturer sponsored RV club. Consisting of over 20,000 member families, the Coachmen Caravan was formed in 1966 to help our owners enjoy RV ownership to the fullest.

With Coachmen, unlimited opportunities exist for you and your family to form lifelong friendships; improve and share your unique talents, skills and crafts; be active in running your club; and exchange ideas, information and helpful hints—all these, plus the many benefits outlined below, are uniquely yours through the International Coachmen Caravan.

## Incredible Membership Benefits

In addition to automatically expanding your circle of friends, your Caravan membership brings you a multitude of benefits:

- Free \$5,000 Accidental Death and Dismemberment Insurance policy, with additional policies available for \$5 a year.
- Emergency road service and RV insurance at low rates.
- Free trip-planning service.
- 10% Discounts at over 3,500 campgrounds in the U.S. and Canada.
- Free annual Campground Directory.
- Hassle-free group travel to popular destinations.
- Free lost-key return service.
- Organized campouts, meetings and parties.
- Free subscription to COACHMEN CAPERS, the club's quarterly magazine.
- Annual International Rally Week.
- A Coachmen Caravan MasterCard with no annual fee and low interest.

- Free I.D. card, Caravan key ring, vehicle decals and I.D. numbers.
- Discounts on club clothing, accessories, film developing and selected RV publications.

## The Company

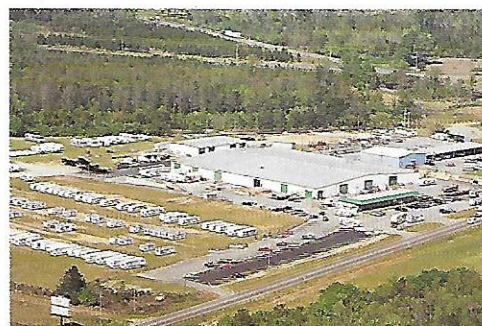

# Coachmen: Leader To The Great Outdoors.

Coachmen Recreational Vehicle Company has manufacturing facilities in Middlebury, Indiana, Fitzgerald, Georgia, and Grants Pass, Oregon, and occupies over 600,000 square feet on nearly 120 acres. The Coachmen name is one of the most recognized names in our industry, and our products provide recreational enjoyment throughout North America and Europe.

From our beginning in 1964, we have been, "Dedicated to the Enrichment of Your Life." You will find proof of this dedication in our innovative and user-friendly products and our smorgasbord of customer benefits and services.

We are driven by a deep concern for your safety, comfort, pride of ownership and pleasure—in short, **your satisfaction.**

Coachmen knows what it takes to make an RV great. Join us! We'll lead the way to the great outdoors.

*Come visit us at our Oregon facility (above left), our Georgia facility (above right), or our Complex in Indiana (top) where you can relax at our Visitor's Center (above center) and enjoy guided tours of the assembly plants.*

## Meet Pete The Coachmen Dalmatian.

Pete, the Dalmatian, has been a vital part of Coachmen since 1964, when he joined our newly formed company as watchdog, playmate and friend. Pete became our official mascot when we

learned that, coincidentally, the Dalmatian is the official "coach dog." Since then, Pete has guided Coachmen and America to the best in products, quality and customer satisfaction. Follow Pete to the Great Outdoors.
