

CHALLENGER 2000 TRAVEL TRAILERS/FIFTH WHEELS
Now, this is the way to "live large."

Damon
Value by Design

A NEW CENTURY.

A NEW MILLENNIUM.

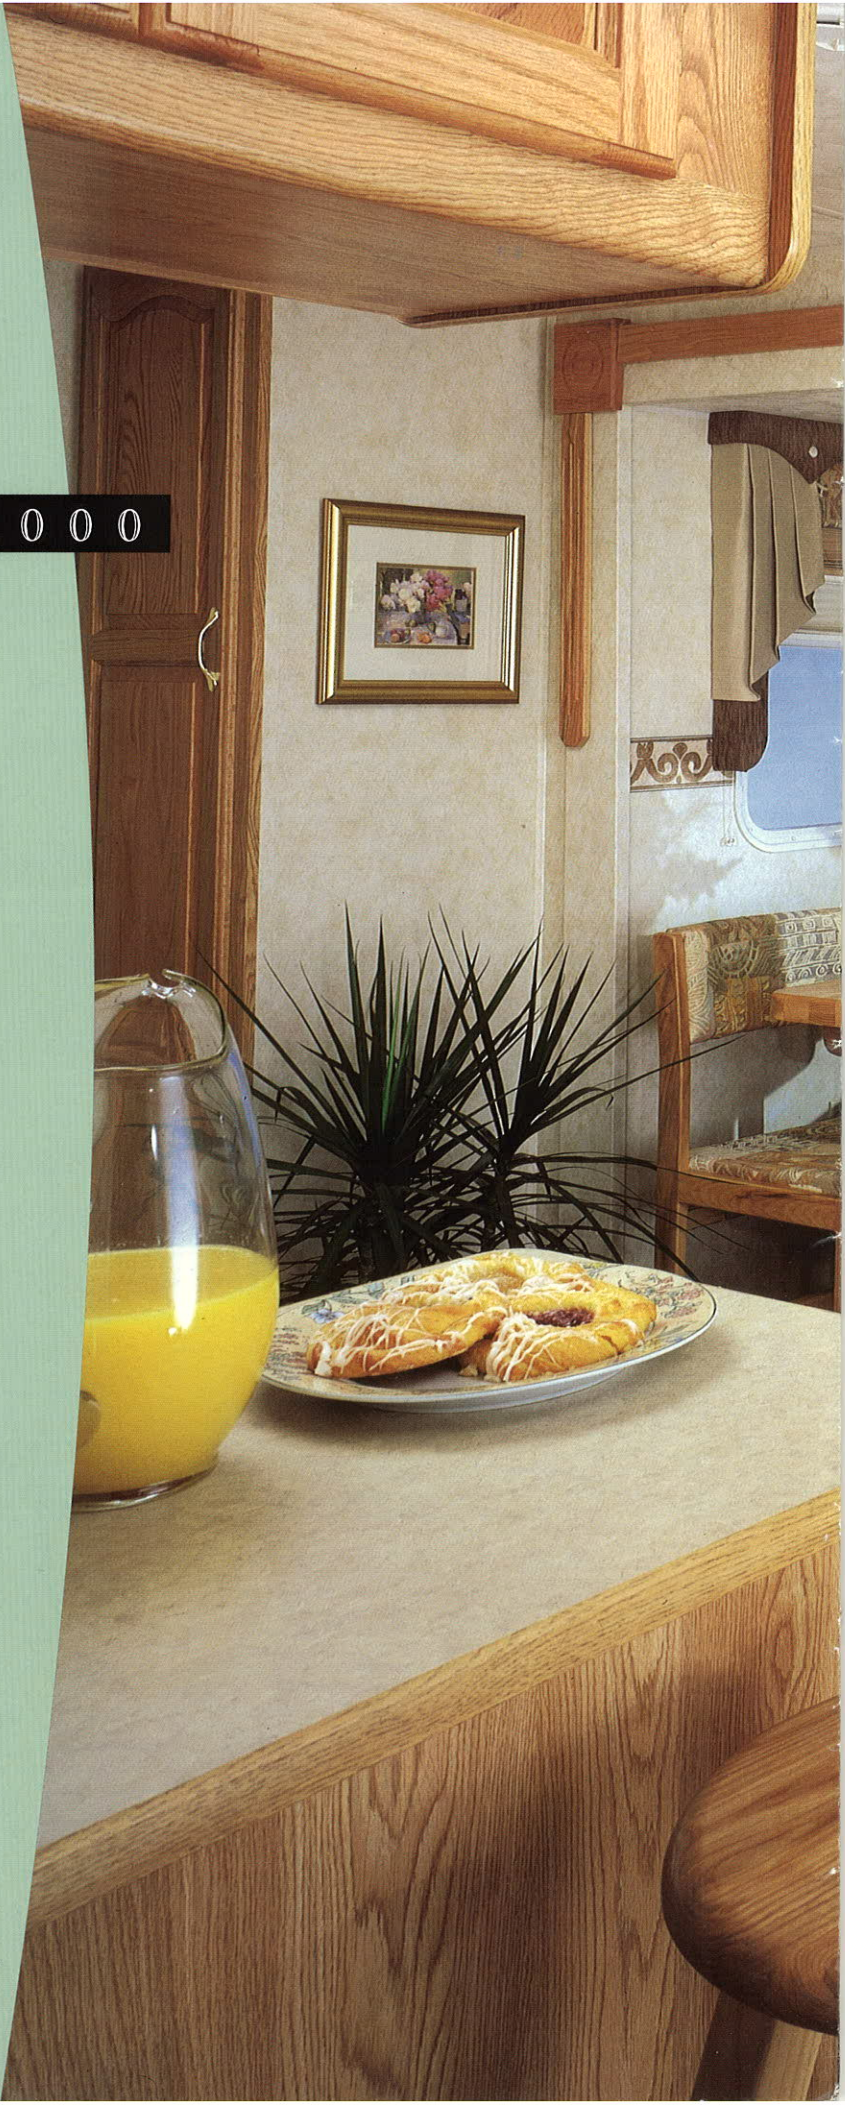

AND A NEW STANDARD
FOR VALUE IN SPACIOUS,
ACCOMMODATING RVs:

CHALLENGER 2000

It's a fair question: Can real value still be found these days? Well, here's Damon's answer. You could spend thousands of dollars more and still not get a travel trailer or fifth wheel with everything Challenger 2000s offer. Now, that's a definition of value for the ages!

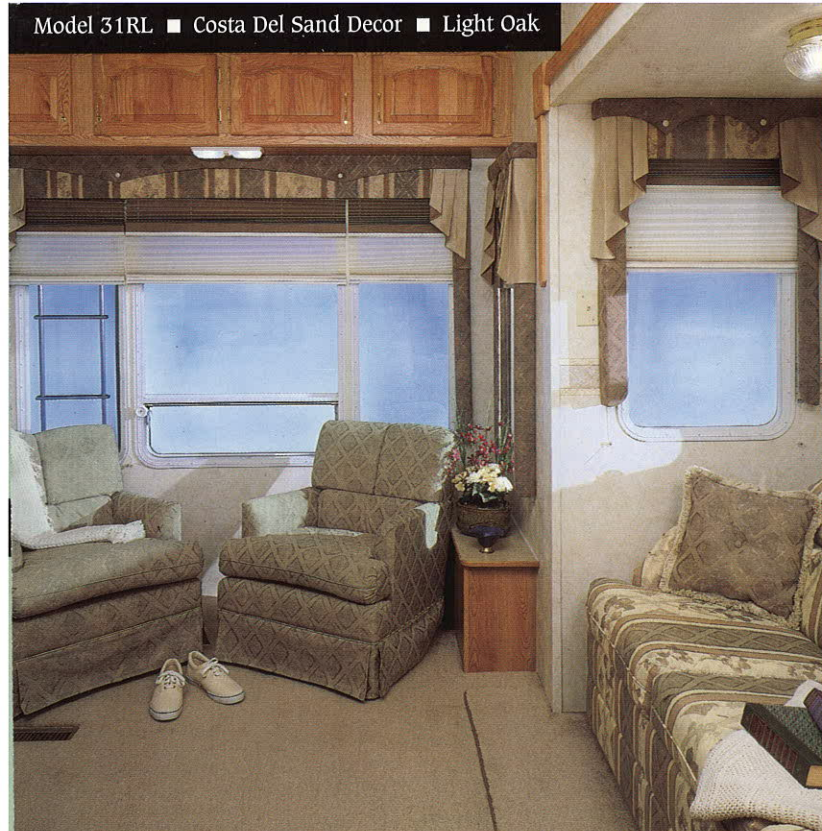

- Incredibly big, roomy, family-friendly floor plans, crafted with care for maximum comfort
- Space-expanding slideout sections that give you even more room to move about freely — some models have three slideouts, adding almost 72 more square feet of living area
- Attractive solid oak fascia on either side of the living room slideout opening
- A warm, inviting, home-style decor in three coordinated color choices: Costa Del Sand, Maui Mango and Venetian Jade
- A freestanding dinette in every model — move it wherever it works best for you
- Rich wood cabinetry and trimwork, some cabinets featuring classic leaded-glass door panels
- Decorative wallpaper borders in the kitchen and slideouts
- Abundant storage space inside and out — note the kitchen and bedroom, especially

Damon
Value by Design

Model 31RL ■ Costa Del Sand Decor ■ Light Oak

Model 32FL ■ Maui Mango Decor ■ Light Oak

- A large built-in entertainment center with hardwood cabinet doors — in most floor plans the bottom two doors feature attractive leaded-glass panels; some models even have a built-in desk; optional TVs, VCRs and stereo systems are available
- A moveable 72" Hide-a-Bed sofa that easily extends into a bed, expanding your Challenger 2000's sleeping capacity
- A high-volume paddle fan in fifth wheels only

- EasyGlider slideouts in Challenger fifth wheel living rooms — when fully extended, the slideout floor is flush with the coach floor, so there's no step up, and you have more standing headroom (EasyGliders also have huge windows, which really "open up" the interior)
- Optional freestanding wall-hugger recliner chairs in many models

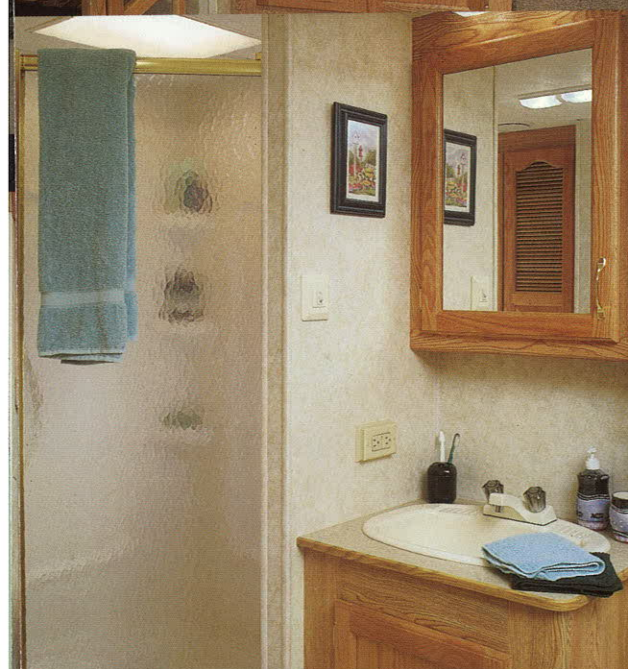

CHALLENGER 2000

- Coordinated designer fabrics on dinette chairs and recliners
- Decorator window treatments — including smart, fabric-covered lambrequins and valances and, if you like, optional day/night shades for extra privacy
- Damon's exclusive StepSaver® kitchen, designed to speed and simplify meal preparation
- In some models, a standard bay window rear cap that not only looks good but opens up the back of the coach to amazing scenic views

Model 31RL ■ Costa Del Sand Decor ■ Light Oak

Model 31RL ■ Maui Mango Decor ■ Light Oak

Costa Del Sand

Maui Mango

Venetian Jade

CHALLENGER 2000

- A gorgeous, richly comforting master bedroom — featuring a queen-size bed, designer bedding (bedspread, shams and fabric-covered headboard) and, in select models, an optional vanity table
- Nearly 20 percent more room in slideout bedroom floor plans
- A large, easily accessible bathroom
- Outside, a standard awning that essentially gives you a 160-square-foot patio
- Damon's exclusive Comfort Control Center™ that keeps interior temperatures pleasant in any climate, year-round
- The peace of mind that comes from knowing your Challenger 2000 has passed Damon's strenuous 325-point StartRight Quality Assurance test — required before it could leave the manufacturing facility
- The benefits of TQS, Damon's ongoing Total Quality Service improvement initiative, designed to meet your needs on and off the road, wherever your Challenger 2000 takes you

WARRANTY INFORMATION:

One-piece rubber roof — 12 years

Awning — 5 years

Water heater — 2 years

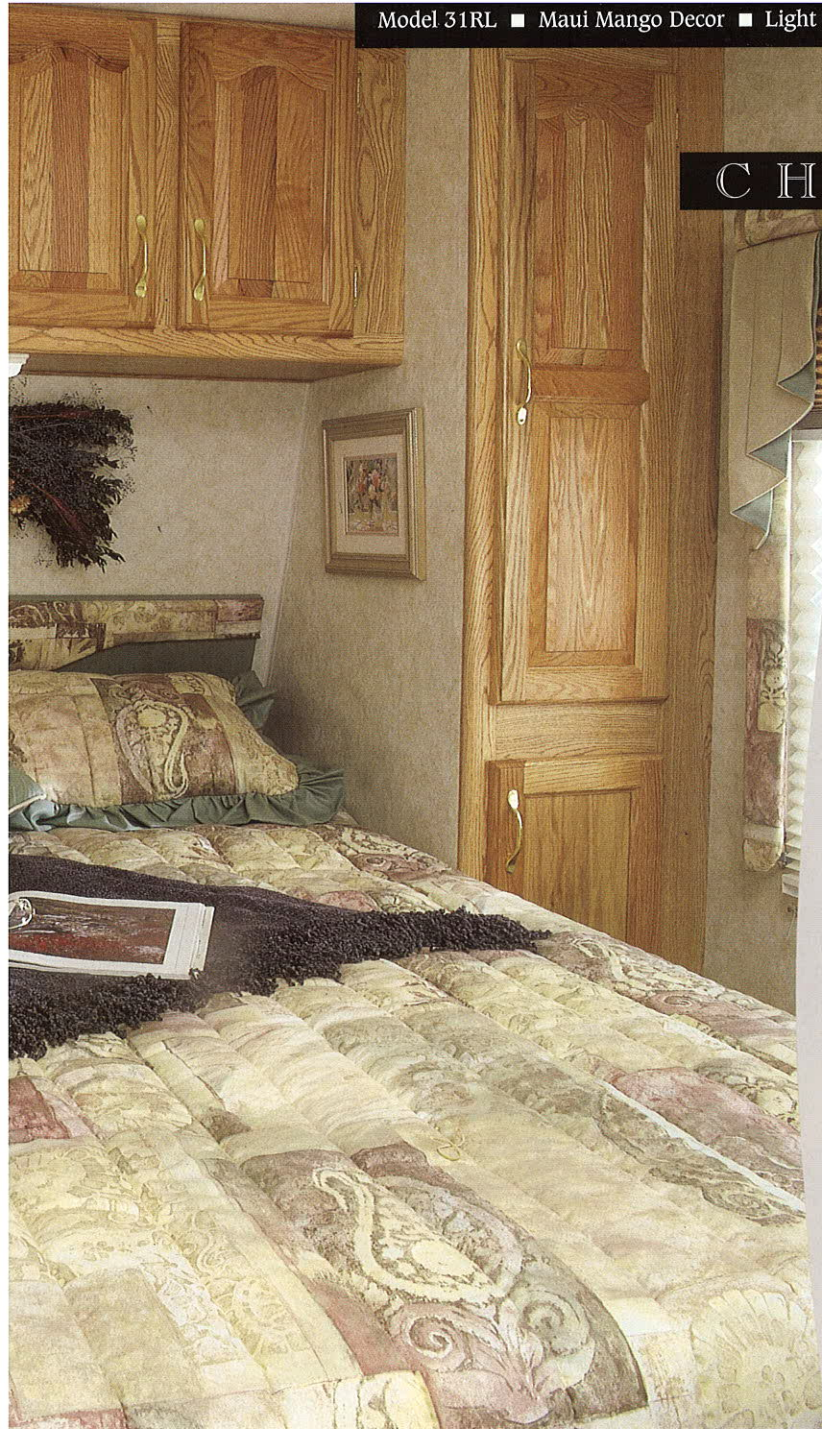

Range — 2 years

Refrigerator — 2 years

Gas sensor — 2 years

Everything else — 1 year

THE VALUE IS BUILT IN

CHALLENGER 2000

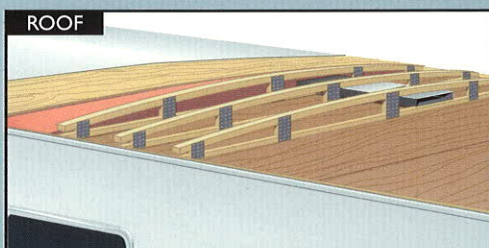

Challenger 2000s are the product of advanced engineering, computer-aided design and innovative manufacturing technologies. You can see the difference that makes. No other travel trailers or fifth wheels in their class offer so impressive a combination of beauty, brawn and benefits.

- 1 - Fully integrated front and rear fiberglass caps that create a clean, uncluttered exterior look
- 2 - Door and window openings completely framed for added strength and durability
- 3 - Electric front jacks that level and stabilize your Challenger 2000 at the push of a button (on fifth wheels only)
- 4 - Fully lined and lighted pass-through exterior storage compartments sealed with insulated doors featuring compatible locks that allow access with a single key
- 5 - Attractive radius-cornered windows that are accented with Ice White® frames and constructed of corrosion-resistant aluminum for reduced maintenance
- 6 - An easy-to-operate, skid-resistant triple entrance step
- 7 - A standard skylight in every Challenger 2000 bathroom
- 8 - Thermostatically controlled, three-speed Fantastic roof vents, standard in Challenger 2000 bedrooms, optional elsewhere
- 9 - 13,500-BTU central air conditioning that's thermostatically controlled for superior cool air distribution; foam-insulated central air ducting — an enhancement to Damon's Comfort Control Center® — helps distribute cool air more efficiently
- 10 - An aluminum roof rack and ladder on Challenger 2000 fifth wheels
- 11 - A sleek-looking, automotive-style rear bumper fully integrated with the end cap
- 12 - Space-adding slideout rooms, fifth wheels featuring hydraulic EasyGlider slideouts that operate smoothly with the push of a button and sit flush with the coach floor when extended
- 13 - Damon's exclusive One Flush System® that allows you to empty all your waste water tanks from one convenient location; the compartment also accommodates an optional exterior shower that's perfect for washing off sand or dirt before you go inside

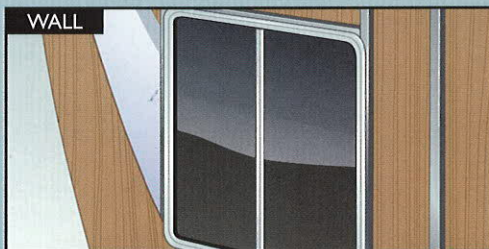

Challenger 2000's pass-through storage compartments let you stow away large items like ice coolers, fishing rods and tackle, lawn chairs and life preservers — whatever your travels demand. These compartments are fully lined and lighted, sealed with insulated doors and feature compatible locks that allow easy access with a single key.

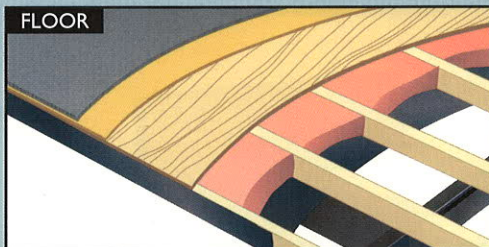

Damon
Value by Design

Challenger 2000's seamless, one-piece roof comes with a full 12-year warranty. It's specially formulated not only to withstand the elements but to provide excellent thermal and acoustical insulation. Radius corners allow proper water runoff. And because the roof deck is 7/16" thick, it provides plenty of support for topside cargo. Underneath, providing a firm and secure foundation, are bow truss rafters on 16" centers.

The gleaming Ice White® exterior of Challenger 2000 is made of smooth, durable, easy-to-maintain fiberglass, vacuum-bond laminated in one piece. A high-gloss gelcoat finish heightens the appeal. For added strength and protection against leaks, all window and door perimeters are aluminum framed. Expanded block-foam insulation — 1-1/2" in the sidewalls — increases the coach's energy efficiency and helps dampen sound. All walls are securely floor mounted for optimum structural integrity.

Like all Damon RVs, Challenger 2000 has one of the safest, most substantial foundations in the industry. It features, among other things, a strong I-beam of welded 10" cambered structural steel. Heavy-duty steel outriggers provide additional support for the walls and stability to the entire RV. A fully enclosed underbelly protects the holding tanks, reduces wind resistance during travel and permits worry-free extended seasonal use. The floor itself consists of solid 5/8" plywood sections assembled in tongue-and-groove fashion for extra strength and durability. Extra comfort and insulation are provided by a high-quality, residential-style performance carpet with padding. It's also trackless and stain-resistant to retain its good looks.

L-shaped kitchen • Walk-through bath • Slideout • Pantry

MODEL 32FL

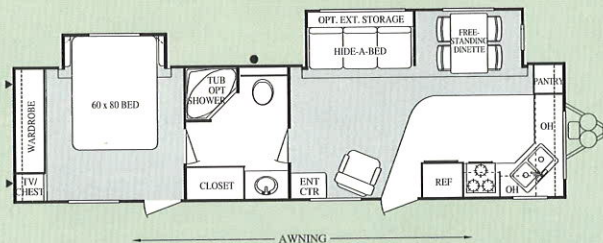

GVWR (lbs.)	10,000
Unloaded vehicle weight	8,010
Axle weight	7,185
Hitch weight	850
Overall length	36'
Overall width (including awning)	101.5"
Overall height with A/C	10' 9"
Fresh water system (appx. gal.)	56
Grey water (appx. gal.)	40
Black water (appx. gal.)	40
Square footage	305

Slideout • Pantry • Dual entry doors

MODEL 33FK

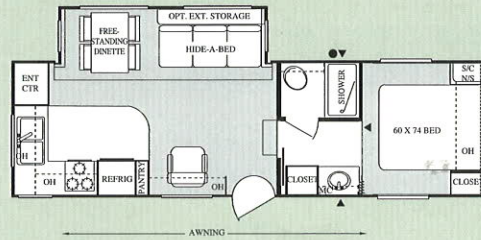

GVWR (lbs.)	10,000
Unloaded vehicle weight	N/A
Axle weight	N/A
Hitch weight	N/A
Overall length	35' 6"
Overall width (including awning)	101.5"
Overall height with A/C	10' 9"
Fresh water system (appx. gal.)	56
Grey water (appx. gal.)	40
Black water (appx. gal.)	40
Square footage	N/A

Dual slideout • Large wardrobe • L-shaped kitchen
Pantry • Dual entry doors

MODEL 28ML

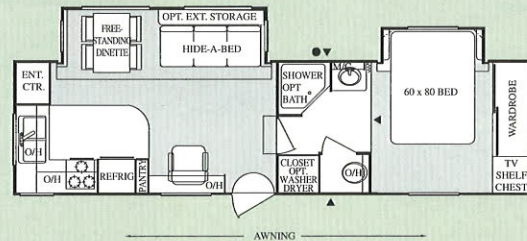

GVWR (lbs.)	N/A
Unloaded vehicle weight	N/A
Axle weight	N/A
Hitch weight	N/A
Overall length	29' 8"
Overall width (including awning)	101.5"
Overall height with A/C	12' 8"
Fresh water system (appx. gal.)	56
Grey water (appx. gal.)	72
Black water (appx. gal.)	40
Square footage	275

Great livability in a compact unit
Living room slideout • Pantry • Walk-through bath

MODEL 29RKB

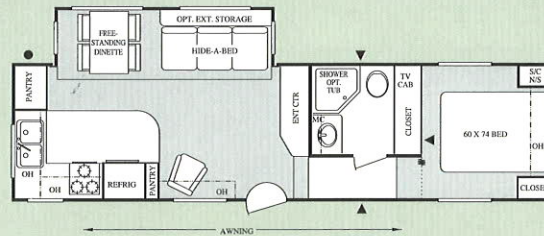

GVWR (lbs.)	N/A
Unloaded vehicle weight	N/A
Axle weight	N/A
Hitch weight	N/A
Overall length	32' 8"
Overall width (including awning)	101.5"
Overall height with A/C	12' 8"
Fresh water system (appx. gal.)	56
Grey water (appx. gal.)	72
Black water (appx. gal.)	40
Square footage	312

Dual slideouts • Big wardrobe
L-shaped rear kitchen • Pantry

MODEL 30RK

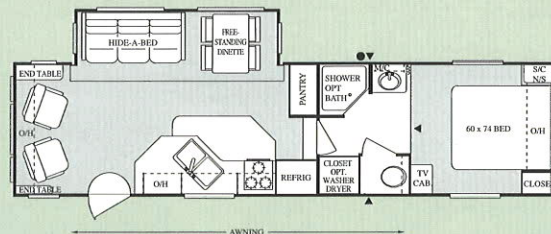

GVWR (lbs.)	N/A
Unloaded vehicle weight	N/A
Axle weight	N/A
Hitch weight	N/A
Overall length	33' 4"
Overall width (including awning)	101.5"
Overall height with A/C	12' 8"
Fresh water system (appx. gal.)	56
Grey water (appx. gal.)	72
Black water (appx. gal.)	40
Square footage	305

Living room slideout • Big pantry
L-shaped rear kitchen • Large entertainment center

MODEL 31RL

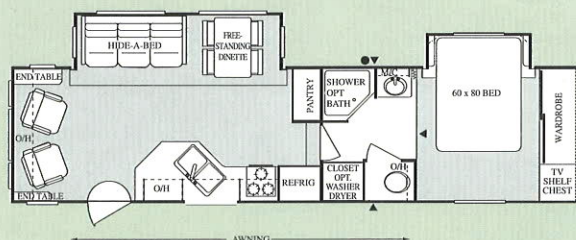

GVWR (lbs.)	12,100
Unloaded vehicle weight	9,400
Axle weight	7,470
Hitch weight	1,930
Overall length	34' 2"
Overall width (including awning)	101.5"
Overall height with A/C	12' 8"
Fresh water system (appx. gal.)	56
Grey water (appx. gal.)	40
Black water (appx. gal.)	40
Square footage	312

Panoramic bay window • Great kitchen • Pantry
Low-profile entertainment center • Living room slideout • Walk-through bath

MODEL 32RLB
