TRAVEL TRAILERS & FIFTH WHEELS

Sandpiper

HIT THE BEACH

Elegance and practicality usually don't go together, except when it comes to Sandpiper travel trailers. By blending quality, innovation, and value, we've created a travel trailer that delivers it all. Ingenious floorplans create spacious living quarters packed full of desirable features and appointments. Interior furnishings have been carefully selected for their durable quality, stylish beauty, and easy maintenance. We're just as particular about Sandpiper's construction, selecting the best components and using proven building techniques. That's why you'll find Sandpiper travel trailers outstanding in value and luxury.

Enjoy the Great Outdoors

As a buyer in today's market, you demand quality and luxury at an affordable price. We at Forest River, Inc. are committed to responding to consumer needs. A result of that commitment is our new 2000 Sandpiper line.

Spacious does not adequately describe our kitchen and dinette areas. Sandpiper offers a Dometic double door refrigerator with automatic switchover, solid oak raised panel cabinet doors with mortise and tenon jointing, porcelain kitchen sinks, solid oak edging on all laminated tops, pedestal dinette table, 22" Magic Chef oven with a high output three burner range top, sink covers, microwave, a range hood with a built in fan, pots and pans drawer under dinette, oak knife holder with spice rack and an overabundance of cabinet space.

Our living rooms lend themselves to rest and relaxation. You may listen to your favorite music on a built in premium sound stereo system, or watch any of your favorite TV programs. For your convenience there are TV and cable outlets in both the living room and the bedroom. The decor is among the most attractive found anywhere. A three color choice of fabrics that are not only beautiful, but will clean easily and endure even the most rigorous use. Lighting may also be controlled in the living area by dimming your mini blinds.

In the bedroom you'll find sleeping quarters built for a king. With a queen walk-around bed standard...making the bed suddenly doesn't seem so bad. Bed lifters allow easy access to a large carpeted storage compartment. Cabinetry and drawers abound on either side of the bed allowing you to take longer and more enjoyable trips with your loved ones. Two stereo speakers located overhead will soothe you to sleep, or plug in your portable TV and view all your favorite programming. If a nap is in order, simply dim the room lighting by turning down your mini blinds.

Sandpiper's exterior has been comprised of components that harmonize well together. With all radius baggage and entry doors a nice uniform look is revealed. Sandpiper's striping is based from the most current automotive colors and is baked on enamel to eliminate fading. Large storage compartments (pass through on larger fifth wheels) will enable you to pack in an efficient and orderly fashion, thus making unloading much easier.

With Sandpiper, you'll find everything at a fingertip's reach. We have specifically engineered each floor plan with ease of usability in mind. The Sandpiper is beautifully appointed with features you'd never think possible in "affordable" models. The Sandpiper is final evidence that Forest River will continue to lead the industry with the greatest selection and quality of products that can be found anywhere.

Long recognized by consumers and our competition alike for quality, innovative floorplans, and price sensitivity, the Sandpiper by Forest River makes it's move to satisfy today's educated buyer. Sandpiper not only has obvious luxury amenities, but also retains the hidden values that go into every Forest River model and makes the difference when it comes to making the right choice.

The Two Forests of Forest River... Forming Relationships with Nature

Forest River, Inc. is helping to preserve America's wilderness areas for the use and enjoyment of our customers and future generations. With every Forest River recreational vehicle purchased, a tree will be planted in the buyer's name in one of America's national forests. See your Forest River dealer for details on our tree planting program.
