2001 Cadet Travel Trailers

This is Cadet – the newest addition to the Coachmen family! It's a lightweight RV that combines the privacy, security and convenience of a travel trailer with the sleeping capacity and ambience of a tent camper. Light enough to tow with a mini van, Cadet features a complete bath and a fully equipped kitchen. And our 60" x 76" foldout bunks are the largest in the industry. Check out Cadet today!
