

2001 Coachmen F U T U R A Travel Trailers

F U T U R A

Leader to the Great Outdoors

Futura 2001. Carrying Today's Families into Tomorrow.

This is where RV styling meets the future.

Coachmen's Futura 2001 has a fresh, unique design with sleek curves and totally aerodynamic lines. It's the RV designed to revolutionize the industry and to carry today's families into tomorrow.

Futura's innovative style includes precision engineered ground effects, available molded front and rear caps and a two-tone exterior. Behind Futura's graceful lines and refined styling is a structurally superior coach. This trailer boasts a six sided tubular aluminum cage made from aircraft grade aluminum for outstanding strength and durability. Vacubond laminated sidewalls and floor provide exceptional strength and performance. Futura 2001. Your voyage into the new millennium starts here.

Futura 2001 is an extraordinary trailer that offers more for less... more design, more features, more value. The result is an RV of remarkable value, exceptional style, and superb performance. It's easy to tow, has abundant storage and is fully equipped to meet the demands of daily life - for a lot of tomorrows.

Queen beds provide residential quality and comfort with a deluxe innerspring mattress.

The one-piece ABS tub surround includes handy built-in shelves.

The Futura features a composite sink and wood trim counter tops standard. Pictured in Meadow Brook.

F E A T U R E S G A L L O R Y

A complete photo album would be required to fully display the many features and innovations of the Futura Travel Trailer. Here are just a few of the many features available from Coachmen RV.

Futura provides this large pass through storage compartment on most models to handle more of your gear.

Keep your clothes neat in this spacious closet.

Another Coachmen innovation is the functional and handy under-sink utensil drawer.

Futura 2001's unique caps and integrated ground effects are made of Bayer Corporation's advanced polymers. Combining Lastrean® ABS resin and Centrex® weatherable polymers, these space-age materials provide great looks along with exceptional toughness.

Decor Selections

Dazzling interiors feature skillfully coordinated upholstery and window treatments. Coachmen RV chooses only top-grade fabrics wear-dated as heavy-duty. These fabrics have been tested for durability beyond 15,000 double rubs (in and out action) to simulate heavy usage. An average chair in an American home is subjected to only 3,000 double rubs per year.

OUTSTANDING SERVICE AND WARRANTY

For over 35 years Coachmen RV has been leading the RV Industry in product design, dependability and customer service support. We work very hard to have our products exceed your expectations. Equally important is the service that we provide during your ownership experience. Whether it be information about your unit, reliable warranties, or industry leading service support...Coachmen RV ranks second to no one.

Buckstopper Warranty

Your Owner's registration card and our famous Buckstopper Limited Warranty are your passport to worry free travel. Our nationwide network of approximately 300 authorized Coachmen Service Centers stand ready to provide you with courteous, dependable and timely service.

Two-Year Structural & Major Component Manufacturer's Warranty

In addition to your One Year Buckstopper Limited Warranty, you can travel with confidence knowing that select major structural components such as walls, ceilings, and floors are covered for two years by Coachmen's extended Structural Limited Warranty. Coachmen product also comes with a limited Two Year Major Component Manufacturer's Warranty on select components. Please refer to our Product Warranty Summary Guide for complete details.

Service Assistance

Coachmen's Service & Parts Department is staffed with trained professionals that are

committed to satisfying your needs.

Coachmen provides a toll free service number for your assistance and convenience. And for those rare instances that a replacement part is required for your coach, Coachmen RV provides a Priority Customer Parts Order program for overnight part shipments in critical repair situations.

Service Support Center Web Site

Presented as an option under the Coachmen RV Company web site (coachmenrv.com), this informative site offers:

- A Service Dealer Locator System
- Maintenance Information
- Troubleshooting Information
- Product Warranty Summary Information
- Customer "E-Assistance" Access
- And more...

Visit our site and see for yourself that Coachmen RV is committed to taking care of our customers.

Coachmen RV features a complete parts and service center at the Middlebury, Indiana complex. Relax during your visit in our comfortable parts and service lounge.

Ultimate Satisfaction – First

Coachmen RV owners regularly receive comprehensive surveys through our Ultimate Satisfaction – First (USI Program). USI questionnaires provide us with valuable information regarding our customers' products, as well as the purchase and ownership experience. Listening to our customers helps us achieve your...

"Ultimate Satisfaction – First".

Base Weight: The weight of the unit with no fluids, cargo, optional equipment or accessories.
GVWR (Gross Vehicle Weight Rating): The maximum permissible weight of the unit, including the Base Weight plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

Carrying Capacity: The difference between the Base Weight and the GVWR. This is the amount of weight available for all fluids, cargo, optional equipment and accessories. The actual "loaded" weight will depend on the equipped unit and the owner's individual choice of cargo, etc.

Wider Widths: Numerous Coachmen floorplans feature the "wide body" design concept, which gives you significantly enhanced interior living space and innovative floorplans.

In making your purchase decision, you should be aware that a few states restrict access on some or all roads within the state to vehicles with a maximum 96" width, although special road usage permits may be available. Vehicles up to 102" in width are permitted in the vast majority of states. You should

confirm the road usage laws in the states of interest to you before making your purchase decision. If width is of concern to you, we invite you to consider the broad array of other Coachmen models offered in the standard 96" width.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including changes in prices, colors, materials, equipment and specifications, as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.

COACHMEN RECREATIONAL VEHICLE COMPANY P.O. Box 30, Middlebury, IN 46540 • P.O. Box 948, Fitzgerald, GA 31750

QUALITY & VALUE

Coachmen RV Company has a long and proud history of quality product with unparalleled value and true commitment to the thousands of RV enthusiasts that have chosen Coachmen as their RV of choice.

A Proud History of Quality & Value

Coachmen RV Company is a proven leader in the RV Industry with over 35 years of experience. Our mission is to make your total RV ownership experience the best possible, by offering you the highest quality and reliability on the market today. Whether you look at our full breadth of product and model offerings, our Industry first Buckstopper Warranty, our customer driven service assistance, our Coachmen Caravan camping club or our proven track record... Coachmen RV Company is understandably the...

"Leader to the Great Outdoors".

In 1964 Coachmen Industries was founded by three brothers, Tom, Keith and Claude Corson with a dream and a vision of dedication to the enrichment of your life through enjoyment of the RV lifestyle. They built Coachmen on principles such as:

- Practice the Golden Rule
- Our Word is Our Bond
- Business goes where it is invited and stays where it is well cared for

Through these principles, Coachmen has flourished over the years and become the leader throughout the RV Industry. We've learned what makes an RV reliable, practical and enjoyable, as well as, how to enhance the RV lifestyle once you have chosen a Coachmen RV. We have accomplished this by listening to our customers. Our product's design, features and amenities are driven by our customers. We listen because we care! And because we listen, our products, our services and our

programs are the best in the Industry. Coachmen products are designed with your needs in mind!

Come and enjoy the RV lifestyle. Create memories of a lifetime with your family and friends. Take a closer look at the...

"Leader to the Great Outdoors" – Coachmen RV Company.

Come visit us at our Complex in Middlebury, Indiana where you can relax at our Visitor's Center and enjoy guided tours of the assembly plants. Also visit us at our facilities in Fitzgerald, Georgia, Goshen, Indiana and Grants Pass, Oregon.

TAKE A CLOSER LOOK AT COACHMEN QUALITY AND CONSTRUCTION

24 We deck our entire roof to add strength and to assure a smooth roof, which improves water run off.

1 Seamless rubber roofs are crowned to allow controlled water run-off, which helps prevent leaks.

2 All roof seams are sealed with butyl rubber based sealant that expand and contract with the climate to help prevent leaks.

3 Vacubond laminated sidewalls and floor provide superior strength and performance. Only closed cell Dow™ maximum density foam is used in the sidewalls and floor to create a lasting and reliable construction.

4 We use only radius clamp ring windows, which have no exterior fasteners or screw covers. We seal our windows with butyl encapsulated foam for years of trouble free use.

5 Equipped with an abundance of interior and exterior lighting including a porch light.

6 Precision engineered molded ground effects derived from a durable, lightweight ABS material designed and tooled by Coachmen and Bayer™ for a true and meticulous fit.

7 Independent suspension and brakes on all wheels with automotive studded hubs and lug nuts.

8 All wheel wells are galvanized steel and are sealed and undercoated with Kendall Automotive sound seal.

9 Our entry door is 24" wide, has an integrated drip rail and is painted to avoid unattractive metal oxidation, which occurs on unpainted doorframes.

11 Plumbing - all fresh water lines are polyethylene (crack and freeze resistant).

12 Six-sided tubular aluminum cage construction for outstanding strength and durability.

10 All copper LP lines with double flare fittings help assure that no rust will get into and damage your appliances the way black steel LP lines can.

23 Two-tone exteriors with dynamic new graphics provide the finishing touches for this impressively designed trailer.

22 Our truss roof rafters constructed of aircraft grade aluminum offer terrific strength and durability.

21 We insulate around every refrigerator to improve operating efficiency and prolong the trouble free life of the refrigerator.

19 Stylish, precision-engineered front and rear caps (optional on most models) molded from a lightweight and dependable Lustran® ABS resin and Centrex® weatherable polymer material, provide style and dependability.

18 Radius exterior doors featured on both the entrance and all exterior storage compartments provide for a pleasing appearance and friendly surface.

17 Wood cabinets, with screwed (not stapled) fronts are mounted to Electro galvanized steel backers in the sidewalls, so they stay secure.

16 Safety is utmost. The LP leak alarm, fire extinguishers, smoke detector, and heavy link safety chain are all standard.

15 Innovative Techwood™ interior drawers, provide a finely finished drawer with light weight and reliable construction.

14 All interior drawers utilize reliable metal drawer glides.

13 Heated enclosed holding tanks constructed of durable rotocast molded polypropylene for year round use.

Couchmen®
Recreational Vehicle Company

20 The Futura design offers a lower center of gravity for improved towing.

ENGINEERING

Founded in 1964, Coachmen is one of the oldest, continuous producing manufacturers of recreational vehicles. A secret of our success is our commitment to the continuous improvement of our products. We have learned that quality must be designed and built into the products, up front. Combining experience and technology, we are able to prevent many problems before they arise, through proper analysis and testing.

Up Front Design for Long Term Comfort

Design & Analysis

Unlike most companies, Coachmen uses computerized technology for much more than simple drafting applications.

At Coachmen RV, we utilize and rely on advanced computer technology to design and engineer a reliable and safe vehicle for you and your family. Finite Element Analysis helps evaluate structural integrity of components and systems quickly and efficiently. 3D model simulations and numerous other process and software systems are also used in the design and development of Coachmen recreational vehicles.

Computer weight testing is performed on every new model. Before a floorplan is approved, we know the approximate weights, including dry and loaded, front and rear axle weights and even side-to-side weights which effect towing. After a model is built, the computer analysis is manually verified.

Performance Testing

Coachmen does not want, nor expect, our customers to be the "proving ground". We believe it is our job to adequately test our products, before they reach our customers.

Coachmen subjects its new models to a myriad of stringent tests, before introduction to the customer. Rigorous road tests, up to 15,000 simulated miles, are performed on actual production units, to verify computer modeling. Studies are made of structural integrity, stress analysis, cabinetry durability, weight loading, vibration analysis and handling. There can be little doubt that Coachmen has superior quality – by design.

Accurate & Specific Weights

Every Coachmen model has a weight label to provide you with the specific and accurate weights and ratings of your unit. These comprehensive weight information labels are posted in your vehicle providing you with critical information such as the unit's Gross Vehicle Weight Rating and Carrying Capacity.

Leak Prevention

Every corner – at the roof, floor and sidewall is wrapped, sealed and secured. All roof and sidewall openings receive framing reinforcement, and are sealed with a non-shrinking, pliable silicone.

To promote water drainage and leak protection, all roofs have tapered rafters.

Finally, every unit we produce is tested for leaks in a high-pressure rain chamber, designed to simulate a driving rain, not just a spring shower.

Coachmen goes the extra mile to ensure a quality built and hassle free RV.

INTERNATIONAL COACHMEN CARAVAN

Enjoy Your Coachmen RV More with International Caravan

International Coachmen Caravan Offers Friends and Fun for Life. With your purchase of a Coachmen RV you are invited to join the nation's largest manufacturer sponsored RV club at a discounted rate...International Coachmen Caravan.

COACHMEN RV INVITES PUBLIC TO TOUR FACILITIES

The Coachmen Visitor's Center in Middlebury, Indiana is your starting point for weekday tours of our motorhome, travel trailer and fifth wheel manufacturing plants. Also located at the Visitor's Center is the headquarters of the International Coachmen Caravan Owner's Club and the Coachmen RV store "Pete's Market", loaded with a large selection

of Coachmen RV clothes and merchandise. Please call ahead for tour information and times. The Coachmen RV plants in Fitzgerald, Georgia, Goshen, Indiana and Grants Pass, Oregon produce travel trailers and fifth wheels only. Motorhome production tours are available only at the Middlebury location.

A COMPANY YOU CAN TRUST SINCE 1964

It all began in 1964. A small company started on its way to becoming one of the most recognized names in the Recreational Vehicle Industry. Right away

Coachmen started earning the reputation as a leader.

From the beginning it was obvious that

Coachmen is a company that cares about the products

it produces and the people who enjoy them; always looking for better ways to bring the pure enjoyment of the RV Lifestyle to more and more families.

In the nearly four decades since Coachmen's modest beginnings, countless companies have come and gone.

But Coachmen has stayed the course. From product

development to service after the sale, Coachmen has helped set the standards for others to follow. Many of today's product designs, manufacturing techniques and product warranties are a result of Coachmen innovations.

Coachmen—Celebrating over 35 Years as "Leader to the Great Outdoors."

COACHMEN RV FORMS ALLIANCE WITH DISNEY

Coachmen RV Company and WALT DISNEY WORLD®

Resort, respective leaders in the recreational vehicle (RV) and entertainment/family vacation industries, have formed an alliance that will allow the companies to work together into the new millennium. Coachmen is now the Official RV of Disney's *Fort Wilderness Resort and Campground* and Disney's *Wide World of Sports™* Complex in Florida.

As part of this new alliance, Coachmen RV's will be prominently displayed at Disney's 750-acre campground resort. Disney's *Fort Wilderness Resort and Campground*, affectionately known as the "most magical campground in the World", boasts nearly 800 campsites, 700 of which are full hook-up sites for RVs. It also features over 400 deluxe Wilderness Cabins as well as various recreational and entertainment facilities.

Disney's
**FORT WILDERNESS
RESORT & CAMPGROUND**

Disney's
**WIDE WORLD
OF SPORTS™
COMPLEX**

This elite resort is one of the three original vacation resorts opened when WALT DISNEY WORLD® Resort premiered in 1971. A Coachmen RV will be displayed near Pioneer Hall, home of the popular Hoop-Dee-Do Musical Revue, the longest running dinner show at WALT DISNEY WORLD® Resort.

Coachmen RV's will also be a part of the Disney magic at Disney's *Wide World of Sports™* Complex. Spanning 200 acres, this ultra modern facility, features a 10,000 seat baseball stadium which is also the spring training home of the Atlanta Braves. The complex, designed for athletes and fans alike, includes numerous state-of-the-art playing fields and venues serving a wide variety of sports. Disney's *Wide World of Sports™* is truly the "ultimate sports destination".
