2x2 WARRANTY

The K-Z 2x2 Warranty is a manufacturer's warranty. Each K-Z product is warranted to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure.

Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at <http://www.kz-rv.com>.

VEHICLE LOADING

Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

DRY WEIGHTS

Dry weights are based on standard features only and do not include optional equipment. Carrying capacity is determined by subtracting UVW from GVWR and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing & towing instructions.
