Springdale travel trailers and fifth wheels are manufactured by Keystone RV Company, "your travel trailer and fifth wheel experts," at our facilities in Goshen, Indiana. Among Keystone's initial product lines, Springdale has evolved since its beginnings to become our greatest value in towables, especially for young families, or anyone who requires a lot of space at an economical price. We take pride in each model we deliver. Each Springdale is made with care and craftsmanship. Springdale has become one of North America's best selling lines of recreational vehicles because it offers so many features at such a good price. This quality has earned Springdale national recognition as a value leader among all products in the U.S. marketplace today. Springdale, "More for your dollar."
