# Tail-gator

**“Room for the Things That Move You**

Tail-gator makes traveling with your toys and any other large items a pleasant adventure, never a chore. The warm, carefully designed interiors make your adventurous life completely relaxing and convenient. You and your toys will be safe, secure, and comfortable.

## Interiors Designed for Your Pleasant Journey

Above, Tail-gator's 278RR in Sage Green. Tail-gator's innovative models offer incredible fashion and comfort while still providing secure transportation of your favorite toys! The 278RR sports a popular feature, the front bedroom with private bathroom. The twin hideaway sofas offer comfortable seating/sleeping, yet take up little cargo space while in the "up" position. Tail-gator's new pull-down queen bed is available in all four travel trailer models. At right, note the residential-style deep-bowl sink with high-arch faucet and the tip-out drawer for extra storage.

### **TAIL-GATOR FIFTH WHEEL CONSTRUCTION— STRONG, YET LIGHTWEIGHT FOR OPTIMUM TOWABILITY**

*Tail-gator Fifth Wheel  
Six-layer Laminated  
Construction*

Because of the increased size, Tail-gator high-profile fifth wheels use the latest in engineering design and construction techniques. By utilizing a state-of-the-art, six-layer lamination process with aluminum sidewall framing, we have achieved the ultimate balance in strength and towability.

### **HIGH-PROFILE FIFTH WHEEL CONSTRUCTION**

1. Fiberglass Exterior
2. Outer Luan Panel
3. Inner Luan Panel
4. Dense Block Foam Insulation
5. Interior Paneling
6. Tubular Aluminum Frame

### **OPEN-AND-CLOSE RAMP— R DOOR PROVIDES LOWER RAMP ANGLE**
