Challenger

Challenger

2003

Challenger's 32TKB floor plan, shown here in the sleek and cool tones of our Monte Carlo decor, offers an elegant living and dining area. Ample lighting, attractive valances and day-night shades help create the atmosphere for your easy life in the Challenger.

Whether on the road or parked at your favorite vacation retreat, Challenger has been designed to be completely roadworthy and fully residential, all in one beautiful product. From its new streamlined and aerodynamic profile to its smooth fiberglass aluminum framed sidewalls and dynamic graphics package, Challenger makes a sleek statement that won't be forgotten.

At Challenger, experienced engineers and designers blend the latest technology and materials with time-tested methods of quality construction, interior cabinetry, and furniture craftsmanship to create one of the finest recreational vehicles in the industry. Inside, every room is designed down to the smallest detail to give you maximum comfort and ease of maintenance. When it comes to livability, each room in the Challenger is planned for your total comfort.

Experience the pleasures of life...take the challenge!

Features shown are not available on all models.

Designed For Today's Life-styles...

Challenger's well-appointed kitchen features a breakfast bar across from the angled sink with a tip-up shelf which extends the generous counter space. Cooking is made simple with the Spacemaker microwave and 22" range. Extra high and deep cabinets overhead, ample drawer space under the counters, and beautiful designer flooring complete this efficient kitchen.

Pictured above in the 32 TKB, Challenger's entertainment center offers a computer station, bookshelves, and a complete AM/FM stereo with CD player and surround-style speakers.
