Dream the Dream

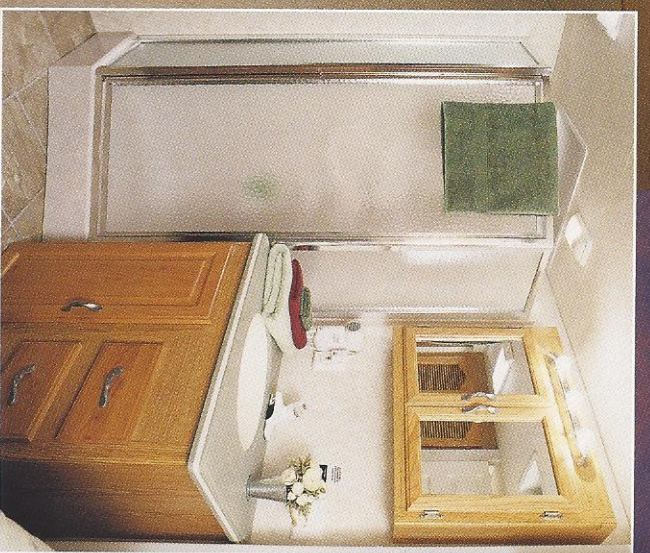

All the comforts of home . . . away from home, wherever you may roam. The space enhancing slide-outs, color coordinated decor, abundant storage and attention to detail all combine to create a pleasant travel experience.

The kitchen island's standard solid surface counter top is available, as shown, with optional drop-down counter extension.

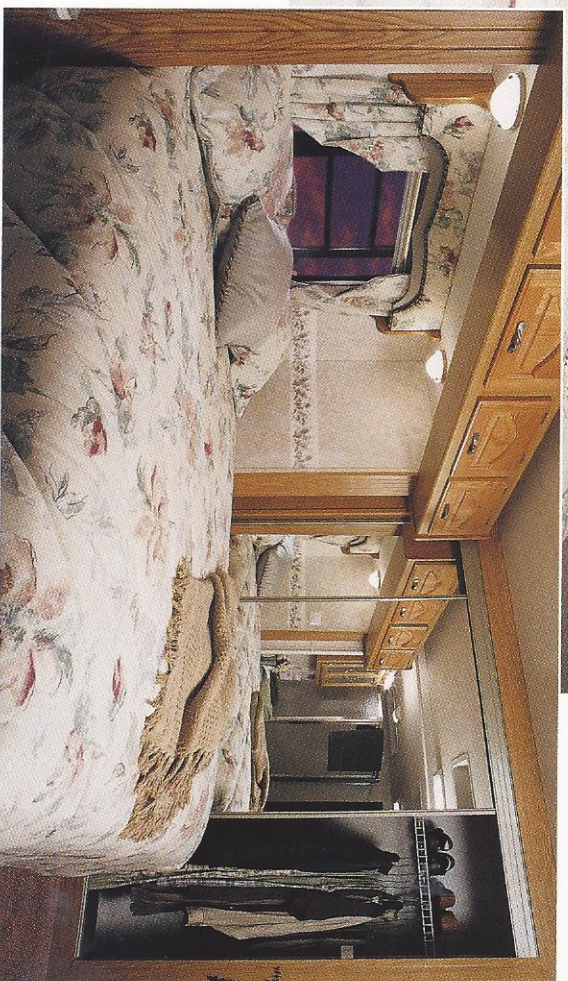

Unwind, relax and retire to a bedroom rich in appointments. Mirrored wardrobes conceal plenty of hanger and shelf space while the built-in bedroom vanity provides counter space, additional storage and an overhead television cabinet.

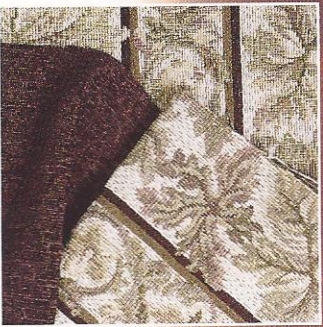

Oak finished cabinets and quality bath amenities provide for function and good looks.

Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z dealer or visit our web site at www.kz-tv.com.

Vehicle Loading – Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

Dry Weights are based on standard features only and do not include optional equipment. Carrying capacity is determined by subtracting GVW from GVWR and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing & towing instructions.
