F190 with Amelia Wine Interior

161 with Midnight Steel interior

130 floor to ceiling wardrobe

The Road Runner features floorplans designed for each families' needs. The F190 fifth wheel (*shown above with our Amelia Wine interior*) provides ample space for cooking, dining and sleeping. The 190's storage spaces, including a floor to ceiling wardrobe (*top inset, right*) have been thoughtfully designed to provide a place for all of your camping essentials.

Whether you choose a fifth-wheel or a travel trailer, the Road Runner will not disappoint. With standard features like a large refrigerator, water heater, 20,000 BTU furnace, 3-burner range top, and torflex rubber torsion axles, the Road Runner is sure to make your trip pleasurable. All of this and the Road Runner is still one of the lightest trailers on the market. The Road Runner is a great value, both at the campsite and on the road.

FEATURES

This trailer line offers the best of both worlds without sacrificing comfort. The Road Runner offers what a traditional tent trailer cannot – hot water, a 20,000 BTU furnace, along with optional air conditioning. Beautiful wood cabinets and plenty of storage space make the Road Runner an ideal choice for the cost-conscious camper's budget.
