Model 21RBH Boulder Creek Interior

Whoever said you had to sacrifice living space in a light-weight towable has never seen the Trail-Cruiser from R-Vision. As you can see here, there's plenty of space in this roomy front dinette model for you and your family to enjoy the RV life in style. The dinette cushions are reversible and the removable table offers you the option of enjoying your meal inside or outside of the coach. When this spacious dinette is converted into a bed, it offers nearly 3" more length than a typical queen size bed.

LUXURIOUS LIVING

The Trail-Cruiser kitchen offers more than enough room for all your meal preparation needs. The large windows of the Trail-Cruiser feature brushed metal mini-blinds for an added touch. This model features an optional microwave and oven with brushed metal appearance. Across from the sink is the refrigerator and a nice sized pantry storage.

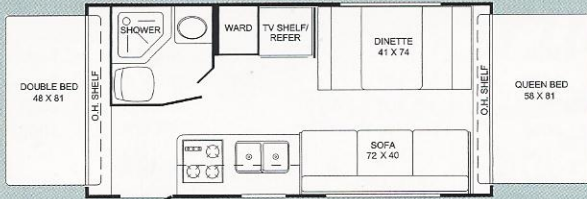

The rear bunkhouse on this unit features a 57" wide lower bed with a 31" bunk over head. Overall, this unit will comfortably sleep a family of 5. There's even a nice sized bathroom in this unit featuring a tub/shower combo and sink base.
