

Luxury Features at an Affordable Price

Wildcat

Travel Trailers & Fifth Wheels

Aerodynamically Designed to Slice Through the Air

F29RLKS

Put the worries of the work-a-day world behind you and enjoy a family retreat filled with adventure. That's what Wildcat by Forest River is all about.

Wildcat

BY FOREST RIVER

Fifth Wheels

F29RLKS

Wildcat's welcoming interior is a comforting blend of function and style with unique design features such as this fully equipped slide-out kitchen.

**Laminated fiberglass side-walls and slide-outs*

**These key construction features set the Wildcat apart from the competition.*

An expanded line of new floor plans offers a variety of living arrangements and updated features that reflect the changing lifestyle of today's RVing families. Double slide-out models provide an amazing amount of living space for more comfort and convenience.

It's the extra touches, like storage space above the refrigerator, a pots-and-pans drawer under the stove, oak-edged residential counter tops, trash can locations under the sink and 4 drawers in the kitchen that make the difference.

F27RK

Storage space is a top priority throughout every unit. Even the bathroom contains an extra large linen closet (5th Wheels). You even have a laundry hamper chute located under the bathroom sink (5th Wheels).

F28BH

Standard in all models, the entertainment center features our exclusive surround sound along with AM/FM radio, CD and cassette player, and remote control. Family-oriented floor plans provide an abundance of roomy living space and storage areas. This two-bedroom model features a rear children's bedroom with bunk beds.

Fifth Wheels

F28BH/T29BHS

The wardrobe doubles as an entertainment center in the children's bedroom.

T26FFBS

T26FFBS

In the bedroom, the TV space is built right into the wall. This conserves space and eliminates clumsy shelves that protrude out.

**Luxury. Quality. Durability. Ease of Tow—That's the Make-up of Wildcat*

Travel Trailers

Wildcat's new line of travel trailers offers the same level of comfort and convenience as our fifth wheels. This model features a roomy rear bathroom with a fully enclosed shower stall and even a laundry chute.

Wildcat travel trailers are steeped in charm. A full size entertainment center and wall clock highlight the living area while the bedroom provides sleeping comfort with a queen size bed replete with color matched bedspread.
