Fifth Wheels

Whether you're planning a quiet weekend retreat or a much needed extended getaway, you'll enjoy the affordable comforts of Durango.™ Space expanding slide-outs, innovative and functional use of floor space and storage combine to make your leisure time more enjoyable.

Durango™

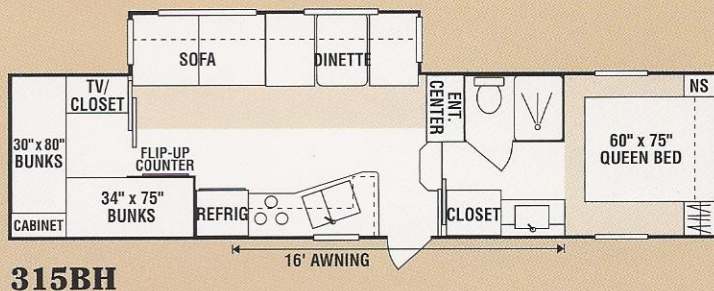

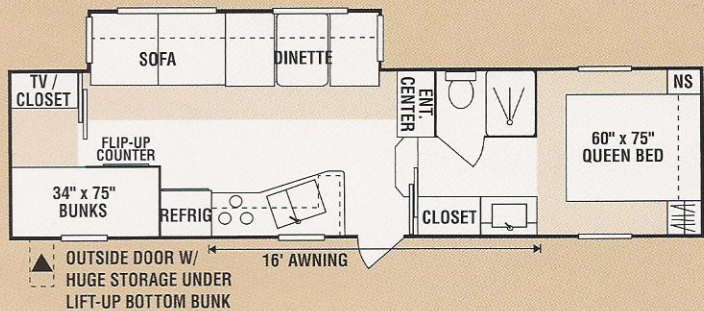

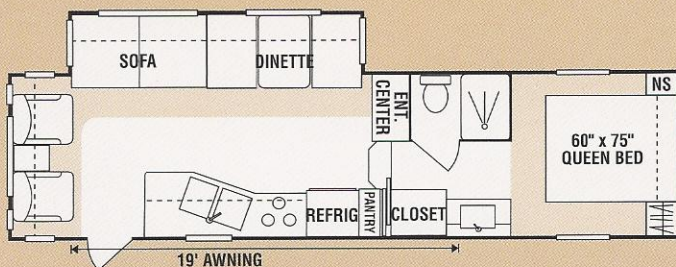

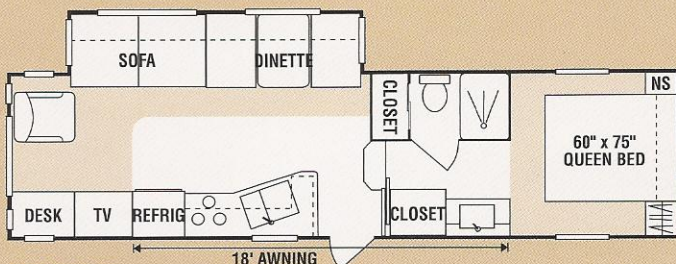

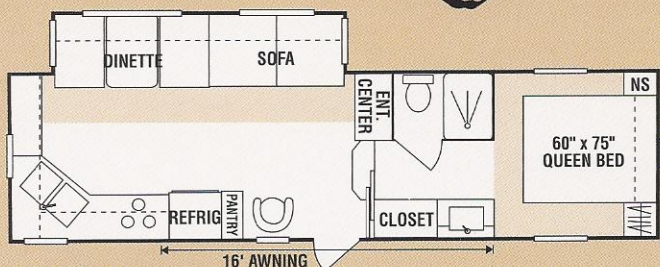

by K-Z

The queen size Posterest walk around bed sports a beautiful quilted bed spread and matching deluxe headboard. The side wardrobes and overhead cabinets will provide plenty of storage.

It's the little things that make the difference... You'll appreciate Durango's™ standard features that many others only offer as options. So select the floor plan and décor that best suites you.

This interior, shown in a deep rich accent of Navy Blue blended with neutral earth-tones is a popular selection, and just like our other popular décor colors, harmonizes beautifully with the natural oak interior.

Travel Trailers

Well designed to utilize space to the max... livability and comfort are not compromised. Durango™ has features you're sure to appreciate both inside and out, such as:

- Space expanding slide-outs
- One-piece Royal Tuff roof construction with 12 year warranty
- Radius windows
- Solid oak, raised panel overhead cabinet doors
- and much more!

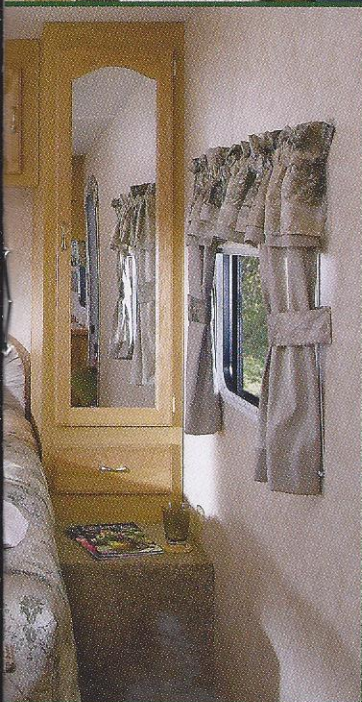

See the complete list of standard features and construction details that help set Durango™ apart.

2X2 WARRANTY – The K-Z 2x2 Warranty is a manufacturer's warranty. Each K-Z product is warrantied to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at <http://www.kz-rv.com>.

VEHICLE LOADING – Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to

select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

DRY WEIGHTS are based on standard features only and do not include optional equipment. Carrying capacity is determined by subtracting UVW from GVWR and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions.
