WELCOME TO POTOMAC

# WHAT'S SO REVOLUTIONARY ABOUT POTOMAC?

We think a company with integrity that is committed to doing what is best for the customer every time is revolutionary. We think a company with a passion to build the highest quality RV in the industry is revolutionary. We think a company with character that listens to customers, partners with the best suppliers and supports dealers who know how to take care of their customers is revolutionary.

## I S T H E R E V O L U T I O N R E A L ?

Evidence that the revolution is real comes from the recent announcement that Potomac RV was awarded a Quality Circle Satisfaction Award from the RVDA after only one year in business. But, perhaps the best evidence lies in the words of our customers and dealers.
