## QUALITY CRAFTSMANSHIP

After building RVs for over 37 years, we have gained our customers' respect through hard work and unwavering support. We have earned a reputation as the industry innovator, leading the way in style and design. We have always been dedicated to using the finest quality materials to create an RV that delivers you to what we refer to as the best fifth wheel in the industry. Our units are built for those with discriminating taste who can appreciate the Carriage difference. Quality craftsmanship and the underlying sense of family pride that is built into each unit. We have a history in this business. We have been committed to excellence for over 37 years and will be there for you in the future.

**THIS IS THE BEST WARRANTY IN THE RV INDUSTRY.**

No Exclusions for full timers. Unlike our competition, we want you to enjoy our coaches year-round.

## WHY CARRIAGE

We stress the importance of quality in manufacturing. With superior quality come reliability, durability, and most importantly, customer satisfaction.

Quality that has withstood the test of time. We are a progressive thinking company mindful of the future. We continually explore new directions in search of the best equipment and designs. We devote much of our attention to the engineering of our units to maximize the full potential of every component. It's more than our stunning interiors that set us apart from other manufacturers. The quality of what we use to achieve that look on the inside is just as important as what we use on the outside and underneath, even where you might not first glance. Looking below the surface of each unit is where you will begin to understand what makes a Carriage so unique. We insist on meticulous installation of all the components on every coach. Adding the exquisite interior fabrics and custom made cabinetry and furniture to the top quality foundation we create for every unit makes for an incomparably finished unit, unequalled and unavailable anywhere else in the industry.

The Carriage has exterior pass-through storage. It's the perfect place for golf clubs, tennis rackets and any other sports equipment to make your time on the road more enjoyable.

**INDUSTRY LEADING SIXTH TIME  
QUALITY CIRCLE AWARD WINNER**

Carriage Inc. received it's industry leading sixth (6) Quality Circle Award in December 2004. Dealer Satisfaction in areas such as sales, product management, and service/warranty support. It is in these products, that are designed and built by our outstanding groups of employees, that makes this award possible. We are most proud of this recognition, because it is voted on by our dealer body, not industry peers.
