Travel Trailers and Fifth Wheels

"Together"...
Discover More!

33J2S shown with Autumn décor

Webster's Dictionary defines a jag as "a small load." We agree... easy to tow and set up, this Jag is big on everything else. Take all the comforts of home with you in this travel trailer or fifth wheel. No matter where you end up – in a lush wooded forest or alongside a roaring mountain stream – you'll never forget a vacation spent in your Jag, by K-Z.

You can cook efficiently in this fully equipped kitchen, which features a 6-cubic-foot double door fridge and microwave. Clean up is quick and easy in this well-planned space, too.

Because it Rains!

Here at K-Z we know a little bit about camping, actually we know a lot about camping. One thing you can count on, it will rain. We randomly test our K-Z campers from every product line in our state of the art rain booth. Our rain comes from every direction so that you can rest assured your K-Z camper will not leak. The rain may spoil your fun outside, but it won't inside.

**always the Best Buy
for the Dollar.**

Meal time is family time. You'll want to linger at your comfortable built-in dinette, which is surrounded by windows to let in lots of natural light.

The kids will think they're at camp when they hop into their cozy bunk beds. Each bunk has a window to the world, so they can drift off to sleep while watching for shooting stars.

A stylish bedspread, upholstered headboard and coordinated window valances add a touch of class to your master bedroom. There's ample storage in this comfortable room. Bring along everything you need and pack it away in the attractive solid oak framed overhead cabinets and vertical closets.

These convenient storage cabinets and drawers are within easy reach of the bunks.

- Water Filter
- CSA (Canadian required)

- Hide-a-Bed
- Recliner
- Table and Four Chairs
- Fiberglass Exterior w/ Aluminum Frame
- Battery and Box
- Assist Grab Handle

1 YEAR WARRANTY – The K-Z Warranty is a manufacturer's warranty. Each K-Z product is warranted to the original purchaser for twelve (12) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. Our warranty is also transferable within the first year for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at <http://www.kz-rv.com>.

VEHICLE LOADING – Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

UNLOADED VEHICLE WEIGHT (UVW) – The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealer-installed accessories.

GROSS VEHICLE WEIGHT RATING (GVWR) – The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVRW is equal to or greater than the sum of the UVW and the NCC.

NET CARRYING CAPACITY (NCC) – The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. K-Z affixes a weight label to each new RV which lists weight information for that vehicle.

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions. All weights may vary.
