QUALITY, VALUE & INNOVATION SINCE 1983

1 Solid Maple Glazed Chestnut Cabinet Doors w/ Mortise and Tenon Construction: A rich, contemporary design that will last.

2 4 Different Décor's by Milliman Design: Quality, beauty and durability by a top design team. We even finish off by adding lambrequins to your windows.

3 Large Contoured Countertops: Up-to-date styling that give you abundant counter space.

4 Deep Well Sinks with High-Rise Faucets in Kitchen: No more worrying which pans to bring on your trip. They all fit.

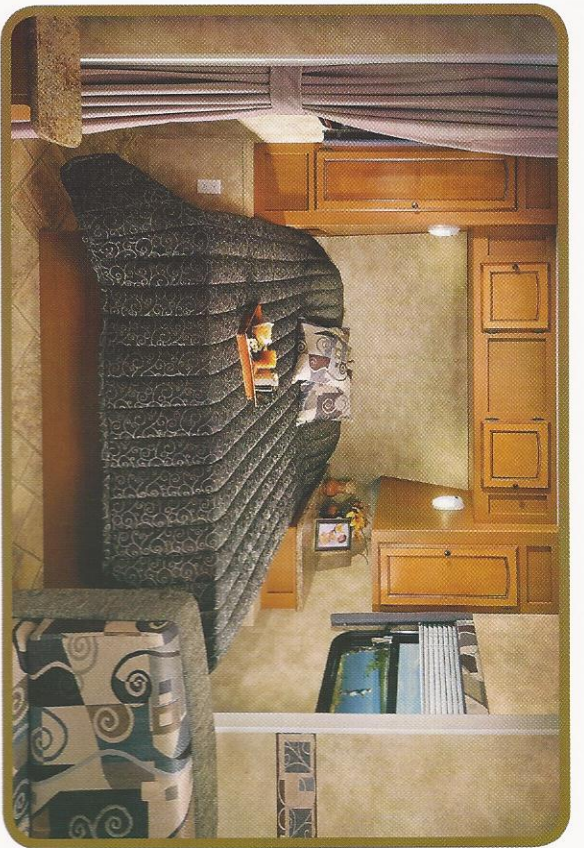

5 Congoleum® No-Wax Vinyl Flooring: A step above the rest. Easy to clean and lasting luxury even after the mud is tracked in after a sudden down pour.

6 Hardwood Screwed Siles: No staples! All siles are pocket-screwed for strength and longevity.

7 Large Double Door Refrigerator: This high quality appliance will preserve the temperature of your goods. It keeps your picnic needs fresh with state of the art insulation and seals.

8 Ducted Above Floor Furnace: Keep the heat in the unit. We duct above floor so you don't fight the elements outside. Makes sense!

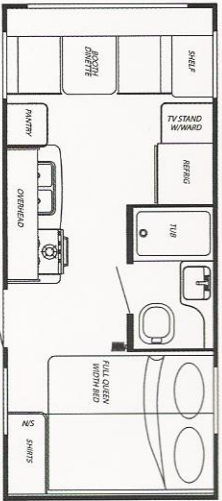

9 6 feet, 6 inches: That's how much of interior height we give you. 80 inches gives you headroom and us more area to put cabinetry for you.

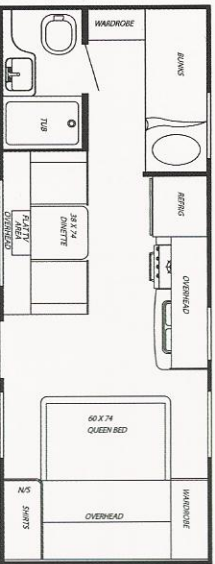

relax. enjoy. save.

Don't settle just because you're concerned about fuel economy. The ultra lightweight Gulf Breeze Sport has all of the comforts of home in six innovative floor plans that won't break you at the pump. The details separate the Sport from the rest.

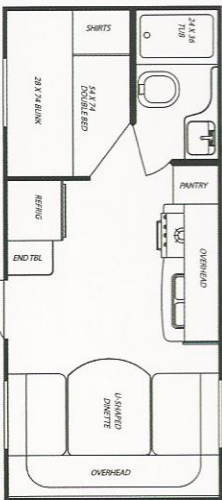

Yes, there is a trailer that makes camping affordable. Start creating memories that will last a lifetime in a Gulf Breeze Sport!
