TRAIL RUNNER

BY HEARTLAND

PRACTICAL SMART DESIGN

BUILT TO LAST.

Using time tested construction methods and top grade materials, Trail Runner is built to last. Heavy duty steel frames, full walk on roofs and everything in between insures that you will enjoy years of camping while making lasting memories.

Trail Runner maximizes available space for storage....

The H-ducted A/C distributes the cool air evenly throughout the travel trailer.

Trail Runner comes with a multi-media entertainment unit with AM/FM CD/DVD player and storage. Pictured is the rotating TV, (available in select units) which allows the single TV to be viewed in the bedroom as well as the living area.

Deep 50/50 double sink with a high-rise faucet.

Outdoor kitchens are available on select models and feature a mini refrigerator, sink, gas grill, counter space and storage for all your patio dining needs.

Outside Shower with hot and cold water.

The optional bumper pull-out bike rack is great for bikes, chairs, coolers and any other bulky items you wish to take along on vacation.

Thick insulated baggage doors with seamless aluminum door frame, no visible mounting screws and rubber seals protect your cargo.

E-Z Lube Axles allow you to lubricate the Axle Hub, including the rear bearings without removing the tires.

30# LP Bottles and cover with easy access to auto changeover valve.

Radius door corners are stronger, last longer and don't tear awnings.

Large Awnings Enjoy your patio area rain or shine. Power awnings are also available as options.

Our aerodynamic radius front profile decreases wind resistance, helping to maximize gas mileage while providing better handling.

Radius entry steps give you larger step treads and fewer sharp corners

Convenient Outside GFCI Protected and Covered Outlet.

Preserving our environment is very important to HEARTLAND. We strive to reduce, reuse and recycle in every facet of the corporation. We are reducing paper waste with new electronic processing, our vendor partners reuse packaging and crating for many components and we recycle all aluminum scrap, wood cutoffs, skids, wire, cardboard and plastic containers. Heartland is doing our part to preserve the environment so you and your children's children can enjoy RVing for years to come.

Heartland Recreational Vehicles
2831 Dexter Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

HEARTLAND CUSTOMER SERVICE WE'VE GOT YOUR BACK!

Over 40 men and women located in a dedicated facility servicing our customers every day. With a dealer network of over 400 locations across the U.S. and Canada, you're never far from an authorized Heartland dealer.

Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartland's commitment to continuous product improvement - floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only.

Heartland has listed the approximate base weight of the trailer without the option equipment included. Option equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
