

# Spree®

Luxury Lightweight Travel Trailers

*Spree - A thoroughly original high-end travel trailer from K-Z!  
True luxury in every sense of the word.*

**320BS**  
dawn  
décor

The 2016 Spree is aimed at seasoned vacationers who know what they want and are unwilling to compromise. Spree offers stainless steel appliances, large overhead cabinets, large double sink with sink covers and high-rise, pull-down faucet sprayer, and several floorplans with smartly-designed islands.

The stylish glass flush-mount stove cover extends countertop space.

Relax in Spree's luxurious upgraded seating and dining areas. RV = Relaxing Vacation!

Spree bedrooms include a Cotton Cloud deep quilt mattress with body pillow and decorative bedspread, designer headboard and generous closet and wardrobe storage.

48" residential-size shower with seat, foot-flush toilet and easy-clean flooring.

Plentiful storage, power bath vent and skylight over the tub.

*Island models offer extra storage and pendant lights. All floorplans include stainless steel double-bowl sinks with covers and pull-down faucets, large overhead cabinets and additional storage areas, luxurious interiors and 30-inch entry doors.*

**329K**  
dawn  
décor

Many Spree floorplans are designed with kitchen islands, which increase storage and counter space.

On island kitchens, one end provides additional storage, and the other end allows space for a hidden trashcan.

Dining areas easily convert into additional sleeping space, and most floorplans offer five-inch dinette cushions and convertible residential sofas.

Upgraded AM/FM/CD/DVD Bluetooth stereo with USB port.

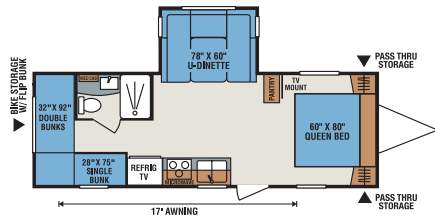

Bath areas boast excellent lighting, storage and counter space.

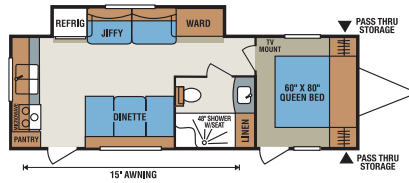

Some floorplans offer an outside bedroom entry door. All give you generous storage opportunities under the beds, in closets and overhead cabinets.

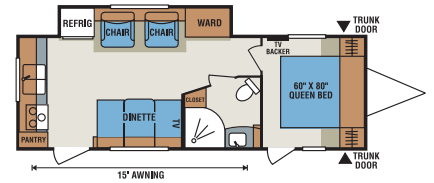

All these great Spree floorplans to choose from....!

## Spree TOP TEN Features and Benefits

### 6-Sided Aluminum Frame

Aluminum framing doesn't rot or rust, & is lighter than wood or steel.

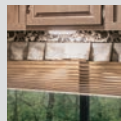

### Heated & Enclosed Underbelly

Not just enclosed, but HEATED underbelly. Keeps holding tanks from freezing. Keeps road grime off holding tanks, wires & plumbing. Adds aerodynamics.

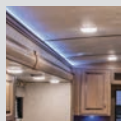

### Painted Fiberglass Aerodynamic Front Cap

Won't chalk or fade. Sleek high-end feature offers good looks.

### 12V LED Lights

Generous, dependable lighting inside and out.

### Crown Molding on Ceiling w/Accent Lighting

Crown molding with accent lighting is virtually unheard of in a travel trailer. Really puts a finishing touch to the interior.

### 30" Radius Entrance Door

Wide and comfortable. Industry standard is a narrow 22".

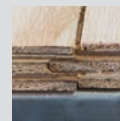

### Flush-Mounted Glass Oven Cover

Good looks & countertop extension when not in use.

### 80 LB Full-Extension Drawer Guides

Industry standard is 50#. Withstands all your kitchen needs.

### 5/8" Tongue & Groove Plywood Floor

Simply put, plywood outperforms OSB in flooring. OSB is not as rigid as plywood, takes longer to dry out, suffers swollen edges/ridges/"ghost lines" under the linoleum, and degrades faster over time when exposed to continuous water.

### 2-Year Warranty

Backed by K-Z's continuous 40+ year operation. Industry standard is 1-year.
